

# Les Alpha de Sof' : Coca Cola

This image displays a large grid of data points on graph paper, representing the Coca-Cola logo. The grid is composed of small squares, and the data points are plotted as small black dots. The logo is centered on the page and is a classic script font. The grid is approximately 1000 units wide and 1000 units high. The data points are arranged in a pattern that forms the outline and internal details of the Coca-Cola logo. The grid is mostly empty, with the data points forming the shape of the logo. The logo is centered on the page and is a classic script font. The grid is approximately 1000 units wide and 1000 units high. The data points are arranged in a pattern that forms the outline and internal details of the Coca-Cola logo.

# Les Alpha de Sof' : Coca Cola

The image displays a large grid of data points, likely representing a map or a complex dataset. The grid is composed of small squares, and the data points are represented by small black squares. The points are distributed across the grid, with a higher density in the upper and lower portions. The overall pattern suggests a geographical or spatial distribution of data.

Les Alpha de Sof' : Coca Cola

\* Rouge écarlate DMC  
666

Nombre de points : 475 x 138
