

Building Business Bridges Between Women Entrepreneurs Worldwide

Help us detect WOMEN ENTREPRENEUR able to represent your country!
(best role models, best influencers and best leaders of change)

Objective: Women selected will be invited to One day event to demonstrate the worldwide women's power to lead sustainable development of our Planet.

This event is the best opportunity to gather women with solutions, to network for good, be visible and recognize for their commitment to sustainable development in developing and emerging countries.

Profile:

Women Entrepreneurs/owner for at least 3 years
Able to express herself in English or Spanish or French
Producing exportable products / services
Preference for business located/developed in a rural area

Where: New York, USA

When: November 2007

Project Leader: eve-olution.org

Partnership with: On going process

Countries eligible: Developing & Emerging Countries

Attendees: 200 Women Entrepreneurs/Owner from Developing & Emerging Countries

Final Goal: *To share women entrepreneurs' experiences to lead sustainable development processes by presenting solutions for a healthier and safer planet for our children.*

Outcomes: *i) * Develop a "Who's Who" of women entrepreneurs who implement sustainable development strategies and solutions from developing and emerging countries; ii) Create new teams of "business volunteers" to develop missions and present feasibility studies; iii) Generate a network of Women Ambassadors to promote our mission and vision within their professional and personal networks.*

About EVE-olution.org:

*Our mission is to empower women entrepreneurs in developing and emerging countries.
Our method: Business coaching to boost their "Export Fever®"*

Agenda:

30 Avril-11 Mai 2007: UN Commission on Sustainable Development launching of the project during a side event sponsored by the South African Government, 8 May at 6pm room 4

*15 Mai 2007: **Deadline** to gather information (name, email, telephone or skype) sent to foundation@eve-olution.org (selection will be done by telephone)*

6 June 2007: report to the UN Global Compact Leadership Forum
