

Let the sunshine in !!!

Ce patron un peu spécial est fait et diffusé quotidiennement, il contient donc de plus en plus d'éléments au fil des jours ... et de mes avancées, auxquelles vous pouvez superposer les vôtres !

J'utilise la laine [Reggae de Schoppel Wolle](#), le coloris [Banana Joe](#), parce que question soleil, j'ai pas trouvé mieux ! Pour les aiguilles, du 5,5mm, ce qui me donne un échantillon en jersey endroit de 16

mailles pour 22 rangs pour arriver à 10cm/10cm. Pensez à votre aiguille à torsade et si vous n'en avez pas sous la main, une aiguille auxiliaire, une aiguille circulaire amovible sans câble, au pire une queue de pinceau fin fera très bien l'affaire !

J'utiliserai entre 5 et 6 pelotes, ce qui fait un total de 600 mètres de laine.

Si vous souhaitez agrandir votre ouvrage, répétez un nombre de fois équivalent les jours 9 et 11, prévoyez la laine en conséquence !

Taille du châle bloqué sans modifications : 187cm/48cm.

C'est fini !!! ou presque: rentrer vos fils. Laver le châle et le bloquer , au besoin le laisser quelques jours pour qu'il soit bien sec . La laine est comme une pâte à modeler , n'hésitez pas à la mettre en forme comme vous le souhaitez, en forçant sur les pointes , en jouant sur la longueur ... quand c'est sec , couper vos fils à ras , il n'y a plus qu'à attendre de pouvoir sortir pour frimer un peu !!!!
