Let the sunshine in !!!

This somewhat special pattern was made and disseminated daily, so it contains more and more elements over the days ... and my advances, to which the Internet users of the Facebook group "Tricote pas tout ! " » superimposed theirs.
I use [Schoppel Wolle Reggae yarn,](#) Banana Joe color, because sun question, I have not found better! For the needles, 5.5mm, which gives me a sample in stocking stitch of 16 stitches for 22 rows to arrive at 10cm / 10cm. Think of your cable needle and if you don't have one on hand, an auxiliary needle, a removable circular needle without cable, at worst a fine brush tail will do the trick!
I will use between 5 and 6 balls, which makes a total of 600 meters of yarn.
If you want to enlarge your work, repeat an equivalent number of times on days 9 and 11, plan yarn stock accordingly!
Size of the shawl blocked without modifications: 187cm / 48cm.

It's finish !!! or almost: bring in your threads. Wash the shawl and block it, if necessary leave it for a few days so that it is completely dry. The wool is like a plasticine, do not hesitate to shape it as you wish, by forcing on the edges, playing on the length ... when it is dry, cut your threads short, there is nothing to do than waiting to be able to go out to show off a little !!!!
