CARL F. BUCHERER PATRAVI  
SCUBATEC MANTA TRUST

Elegant and mysterious: Carl F. Bucherer is launching a limited-edition timepiece dedicated to the Manta Trust, a charity active in the conservation of manta rays. Each watch is one of a kind: a unique engraving on the back of the case depicts the pattern on the underside of a specific individual manta ray. And its sales will help finance an entirely new kind of research expedition.
