

## Lovely day shawl

This sideway shawl is full of good impulses, created amid the peonies whose color and fragrance inspired me, in a very nice day! It is demanding, requires concentration, but is an ideal occupation for the passionate of cables. Lovely day will be perfect in your favorite solid color or a color gradient light enough to give its own.

### Material:

7 balls of Mérina, Cheval Blanc, color Cardinal. Needles 4.5mm

Cable needle, row counter, 3 stitch markers.

### Points and abbreviations:

M: stitch marker

sts: stitches

k: knit

p: purl

sl: slip the stitch knitwise

m1: make one.

R: row.

\*...\*: knit the motive between \*and \* as many times as it takes to get to the next stitch marker or the previous indication the marker.

SKP: slip one knitwise, knit the next stitch and pass over the slip stitch

K2tog: knit 2 together.

1Yo: one yarn over

2Yo: two yarn over (2 times the winding wire around the needle)

(...)x...: repeat the pattern in brackets as many times as is indicated after "x".

Twists: They are all on 4 stitches.

T1: slip 2 sts on cable needle placed in front of work, purl 2, take the stitches from cable needle and knit them .

T2: slip 2 sts on cable needle placed behind the work, knit 2, take the stitches from cable needle and purl them .

T3: slip 2 sts on cable needle placed in front of work, knit 2, take the stitches from cable needle and knit them .

T4: slip 2 sts on cable needle placed behind the work, knit 2, take the stitches from cable needle and knit them .

Gauge (stocking stitch, 10cm/10cm) : 28 rows /21 stitches. This gauge is indicative and is not a major influence, select the needle size recommended by the manufacturer of your yarn. **2**

Note: - the pattern of 24 rows is almost always the same, only change the part that is knitted in stocking stitch where the increases or decreases are, which can prevent you to print all pages.

- If you want a thinner or wider shawl, you can change the number of repeats in different sections (taking care to do the same for sections of increases and decreases).
