

Géométrie

Fiche 2

Les solides

1

Je relie chaque objet à son solide.

Activity 1: Matching objects to geometric solids. The objects shown are a die (cube), a globe (sphere), a box of tortiglioni (cylinder), the Louvre Pyramid (pyramid), a rectangular prism, a cylinder, a sphere, a cone, a cube, and a pyramid. Lines connect the objects to their corresponding geometric shapes.

2

Je relie chaque solide à son nom.

Activity 2: Matching geometric solids to their names. The names listed are cube, cylindre, cône, sphère, pyramide, and pavé. Lines connect the names to the corresponding geometric shapes.
