

# Tuto carte pop'up hexagone

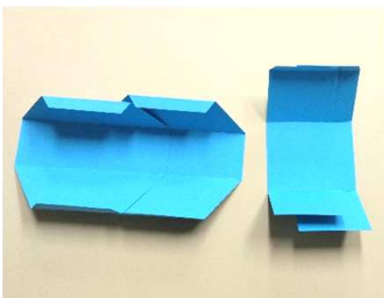

Yvette Lange - [www.dames2scrap.fr](http://www.dames2scrap.fr) - [y.lange@wanadoo.fr](mailto:y.lange@wanadoo.fr)

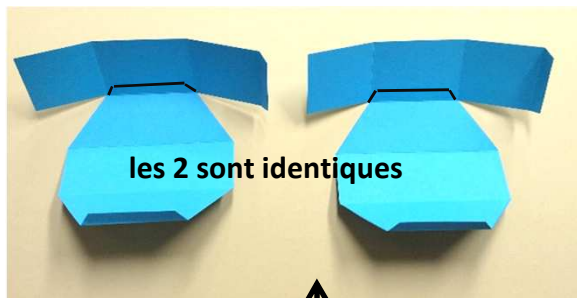

papier blanc: 5,5 x 4,5 cm

imprimé: 4,2 x 4,5 (x2)

**Pour info:** pour les papiers avec sens 4,5 cm est la hauteur

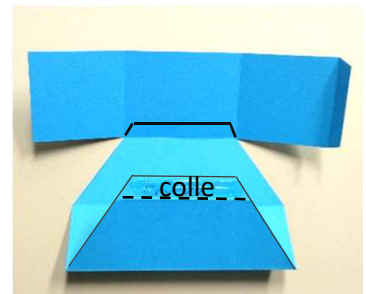

plier les éléments de la cartes

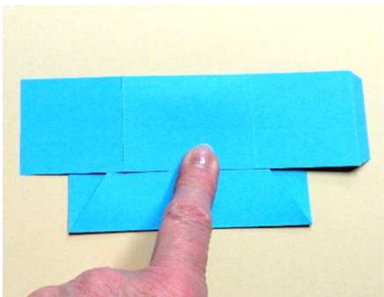

les 2 sont identiques

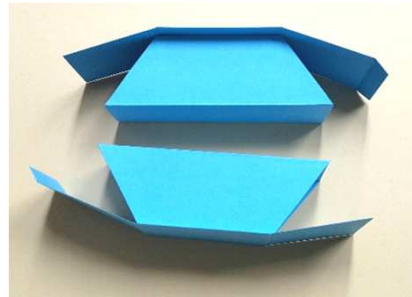

coller suivant la photo

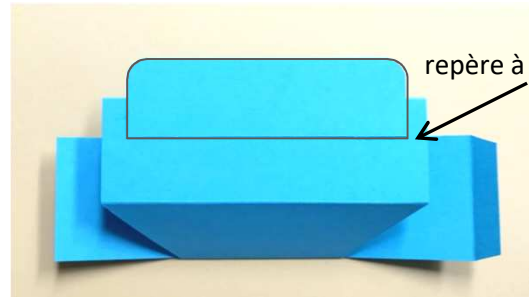

mettre de la colle sur la petite languette

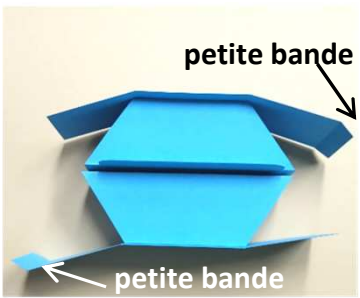

et rabattre la bande rectangulaire

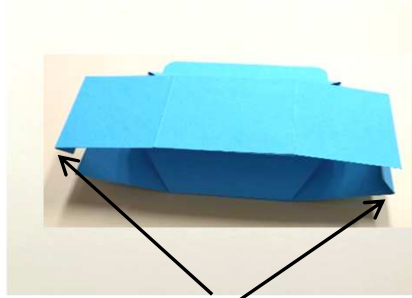

on obtient 2 démis hégagones

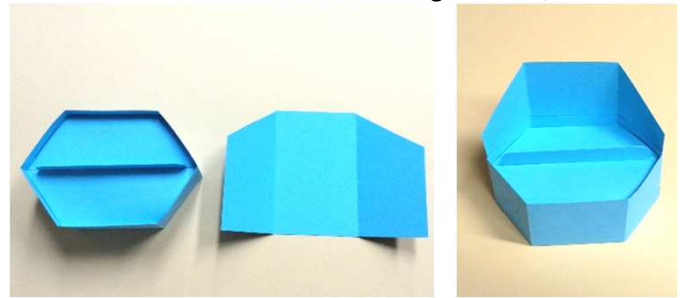

prendre le rectangle 9,5 x 3 arrondir les coins et coller sur un des 2 demis hexagones à 1,5 cm

coller les 2 demis hexagone s ensemble

coller les 2 languettes à l'intérieur

coller le rectangle 15,4 x 10,5 l'arrière il ne reste plus qu'à décorer la carte
