

REALIZE

Colbie Caillat

C#sus2
 Take time to realize
G#
 That your warmth is
F# A#m G#
 Crashing down on in
 Take time to realize
 That I am on your side
 Didn't I, didn't I tell you

Pont :
F# A#m
 But I can't spell it out for you
G#
 No it's never gonna be that simple
F# A#m G#
 No I can't spell it out for you

Refrain :
C# G#
 If you just realize what I just realized
A#m
 Then we'd be perfect for each other
F#
 and will never find another
 Just realized what I just realized
 We'd never have to wonder if
 we missed out on each other now

(C# G# A#m F#)

Take time to realize
 Ohoh I'm on your side
 Didn't I, didn't I tell you

Take time to realize
 Ohoh I'm on your side
 Ohoho...

Pont

 It's not always the same

 No it's never the same
A#m Cm/5+ C# Fm/5+ F#
 If you don't feel it to

B
 I don't know how else to put this
G#m
 It's taken me so long to do this
E
 I'm falling asleep and I can't see
B F#
 straight

My muscles feel like a melee
 My body's curled in a U-shape
 I put on my best but I'm still afraid

Propped up by lies and promises
 Saving my place as life forgets
 Maybe its time I saw the world

I'm only here for a while
 But patience is not my style
F# B
 And I'm so tired that I gotta go

Refrain :

G#m
 What am I supposed to hide now ?
E
 What am I suppose to do ?
B
 Did you really think I wouldn't see this
F#
 through
G#m
 Tell me I should stick around for you
E
 Tell me I could have it all
B F#
 I'm still too tired to care and I gotta go
(B G#m E F#) x 2

I get to go home in one week
 But I leaving home in three weeks
 They throw me a bone just to pick me dry

I'm following suit and directions
 I crawl up inside for protection
 I'm told what to do and I don't know why

I'm over existing in limbo
 I'm over the myths and placebos
 I don't really mind if I just fade away

I'm ready to live with my family
 I'm ready to die in obscurity
 'Cause I'm so tired that I gotta go **B**

Refrain :

Where am I supposed to hide now ?
 What am I suppose to do ?
 You still don't think I'm going see this
 through
 Tell me I'm a part of history
 Tell me I can have it all
 I'm still to tired to care and I gotta go
