Marcel

This rather simple model is inspired by a hat that I wore when I was a child, and that I can always wear, it is adaptable, flexible, and to decline in the colors that you like.

A very warm and comfortable hat, which adapts to many heads, big or small!

Hat size M 56/57cm head circumference, suitable for children from 8/10 years.

Size L (58cm of head circumference and more).

Material :

2 balls of Edition 3.0 Schoppel Wolle and 2 matching balls of Babyalpaga Kremke , knitting kit available here :https://lesaiguillesdecamille.com/Kit-Marcel-bonnet-double-p-1196-c-96_125.html#fp

Circular needles 3,5mm (or set of 4 needles of the same size),1 stitch marker ,scissors, tape measure and wool needle.

Cut the thread to 20 cm long, put it on the woolen needle and pass it in the remaining 20 stitches. Remove the circular needle, tighten the stitches, repeat the operation once. Pass the needle in a stitch and make a tight knot, repeat the operation once. Bring the thread into the hat by its top and bring out the needle, taking care to leave the thread in, and it's over!
