Increase:

Knit a stitch place as follows: to knit the stalk defers of the stitch, then without dropping it, knitting the stalk before. Let it slide on the right needle: you knit two stitches in one.

Decrease :

On the right side of the work, knit 2 together.

The collar :

Cast on 49 stitches with needles 6.5mm.

Knit with the fancy stitch up to 22 cms in height. Bind off very flexibly, bring in the threads and cut them.

Make the side sewing inside the collar, fold up it as a turtleneck in two and make a point to fix it where you have already sewn.

Note: this collar is knit in a very flexibly way, with needles slightly bigger than those indicated by the manufacturer to give a very comfortable result for his user in case this user would hate having the tight neck!

The hat :

Cast on 68 stitches with needles 5mm, knit in ribs 2/2 up to 5 cms in height.

On the right side of the work, begin to knit the fancy stitch and make one increase in the middle of this first row. You will finally have 69 stitches.

Keep on knitting with the fancy stitch up to 19 cms in height.

At this height, begin the decreases by knitting in stocking stitch:

Decrease 1: knit 2, then do 9 times (Knit 2 together, knit 6), finish with knit 1.

Decrease 2: knit 2, then do 8 times (Knit 2 together, knit 5), finish with knit 7.

Decrease 3: knit 2, then do 8 times (Knit 2 together, knit 4), finish with knit 6.

Decrease 4: knit one and then, all the others: knit 2 together. Finish with knit 1.

Decrease 5 : knit 2 together.

After the fifth decrease, cut your thread so as to leave 50 cms for the sewing.

Cross the thread by means of the needle with wool in the remaining stitches, squeeze the top of the hat and fix it. Make the sewing by taking care to sew the part in ribs 2/2, so that it is not visible one time in position.
