

CHÈVREFEUILLE SHAWL

by Samy

Pattern source : inspired by a very old cross stitches book from my grandmother.

Model created and knitted for the "Tricot Nordique" meeting 2020 ... but finished in 2021!

This is my first pattern. I don't explain all knitting techniques because my English is not good enough.

Level : advanced knitters and/or very motivated.

Yarn : Holst garn

Needles : circular needles size 3mm

Background color : Bleached White ; Nougat ; Almond ; Seet Pea

Pattern color : Opal ; surf ; Breeze ; glacier ; Sapphire ; Denim ; Stratford ; Tiffany ; Aquamarine ; Robbin egg

The colors are indicative, you can choose other colors.

The shawl is worked flat first and then continued in the round with steek (norwegian style or fair isle)

Choose your background colors and make a ball of yarn with them. (A few meters of one color then a few meters of another; make felted joints between the different colors.)

The start:

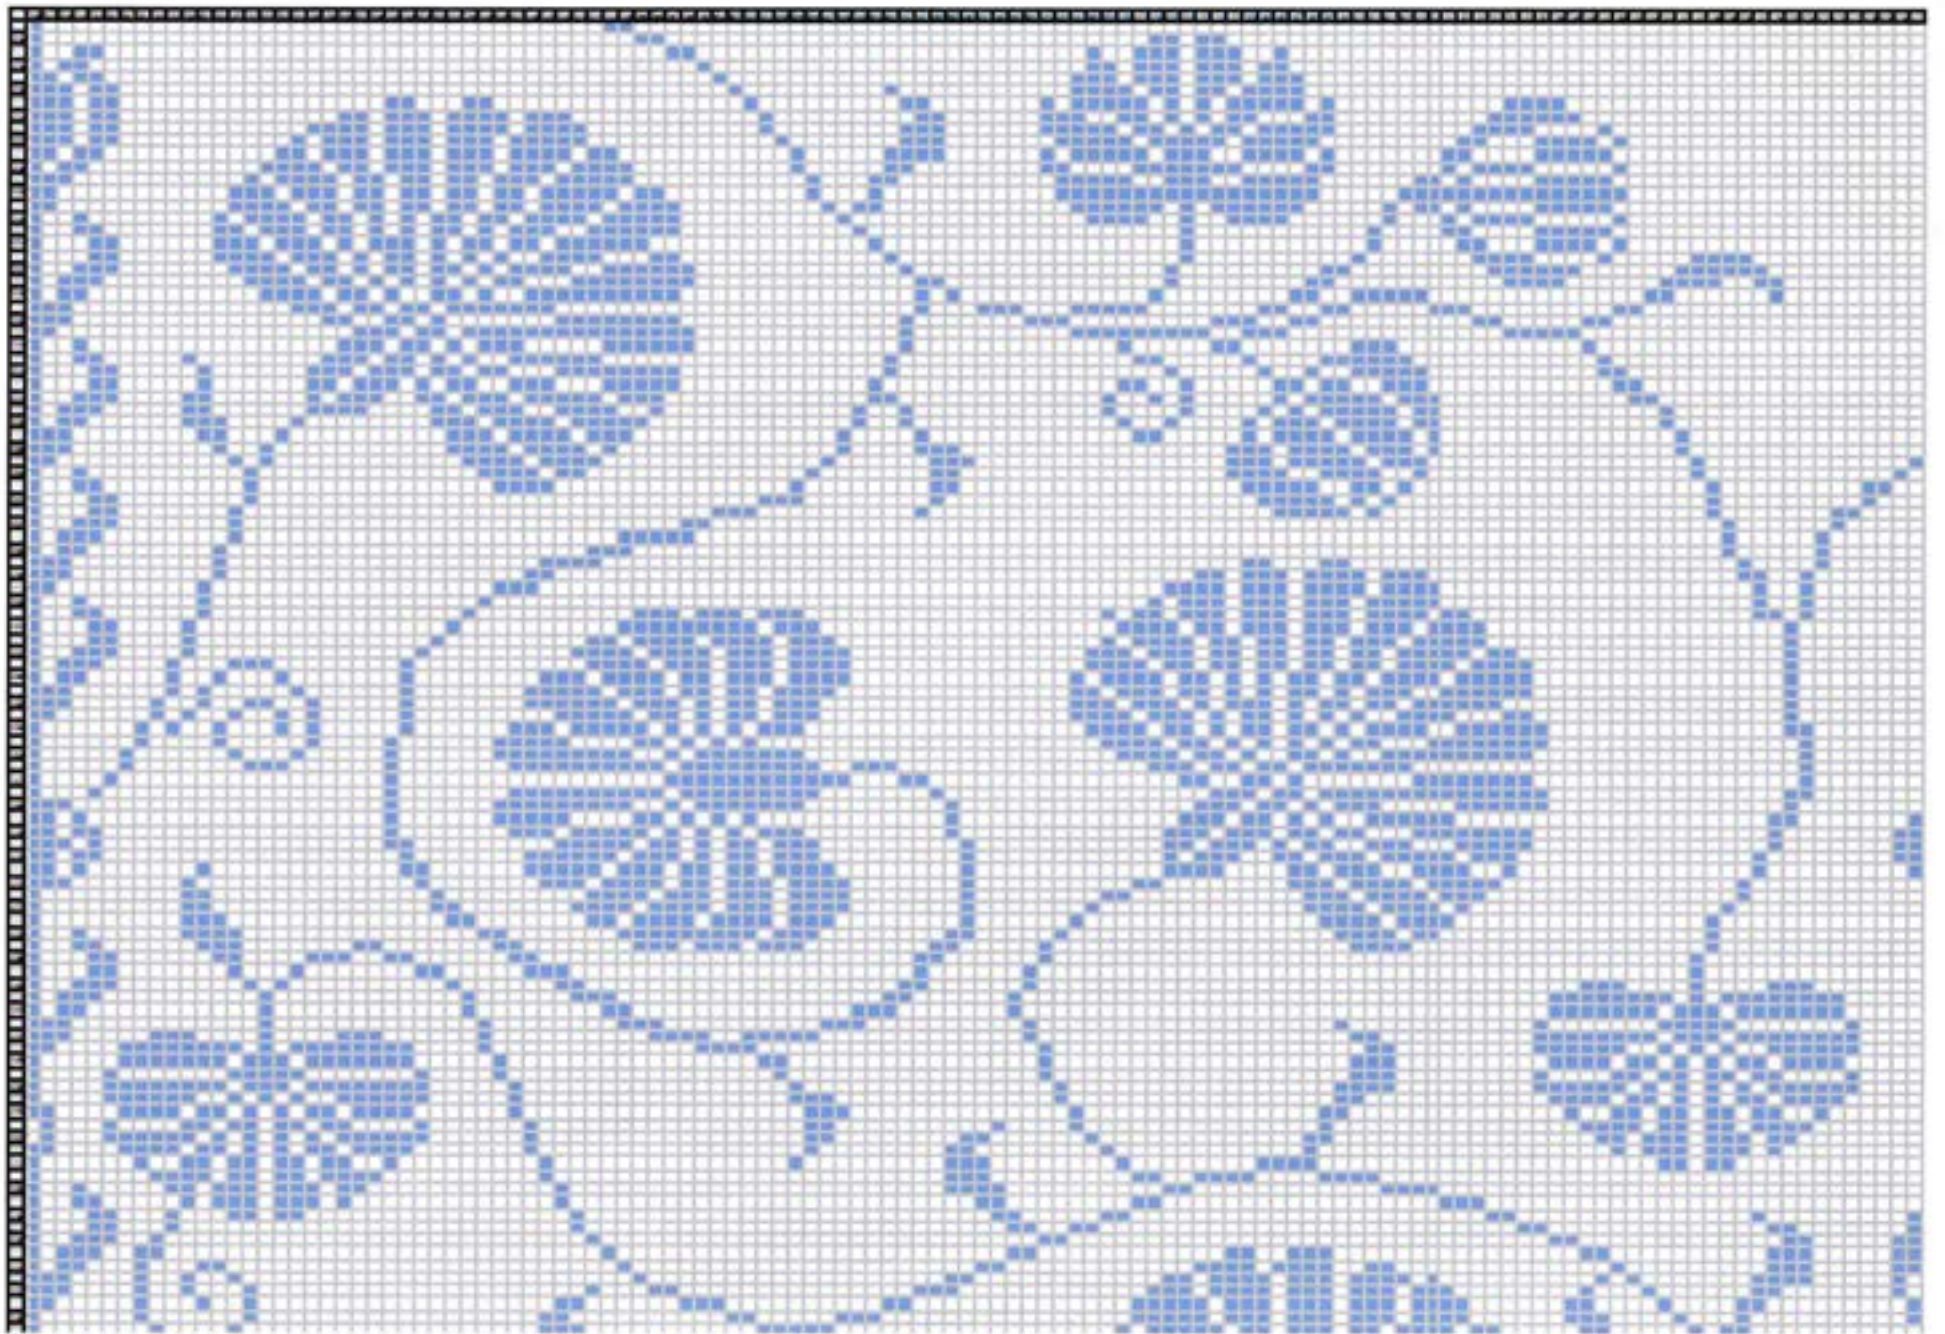

Cast on 5 stitches, and then start knitting flat for about 20 rows :

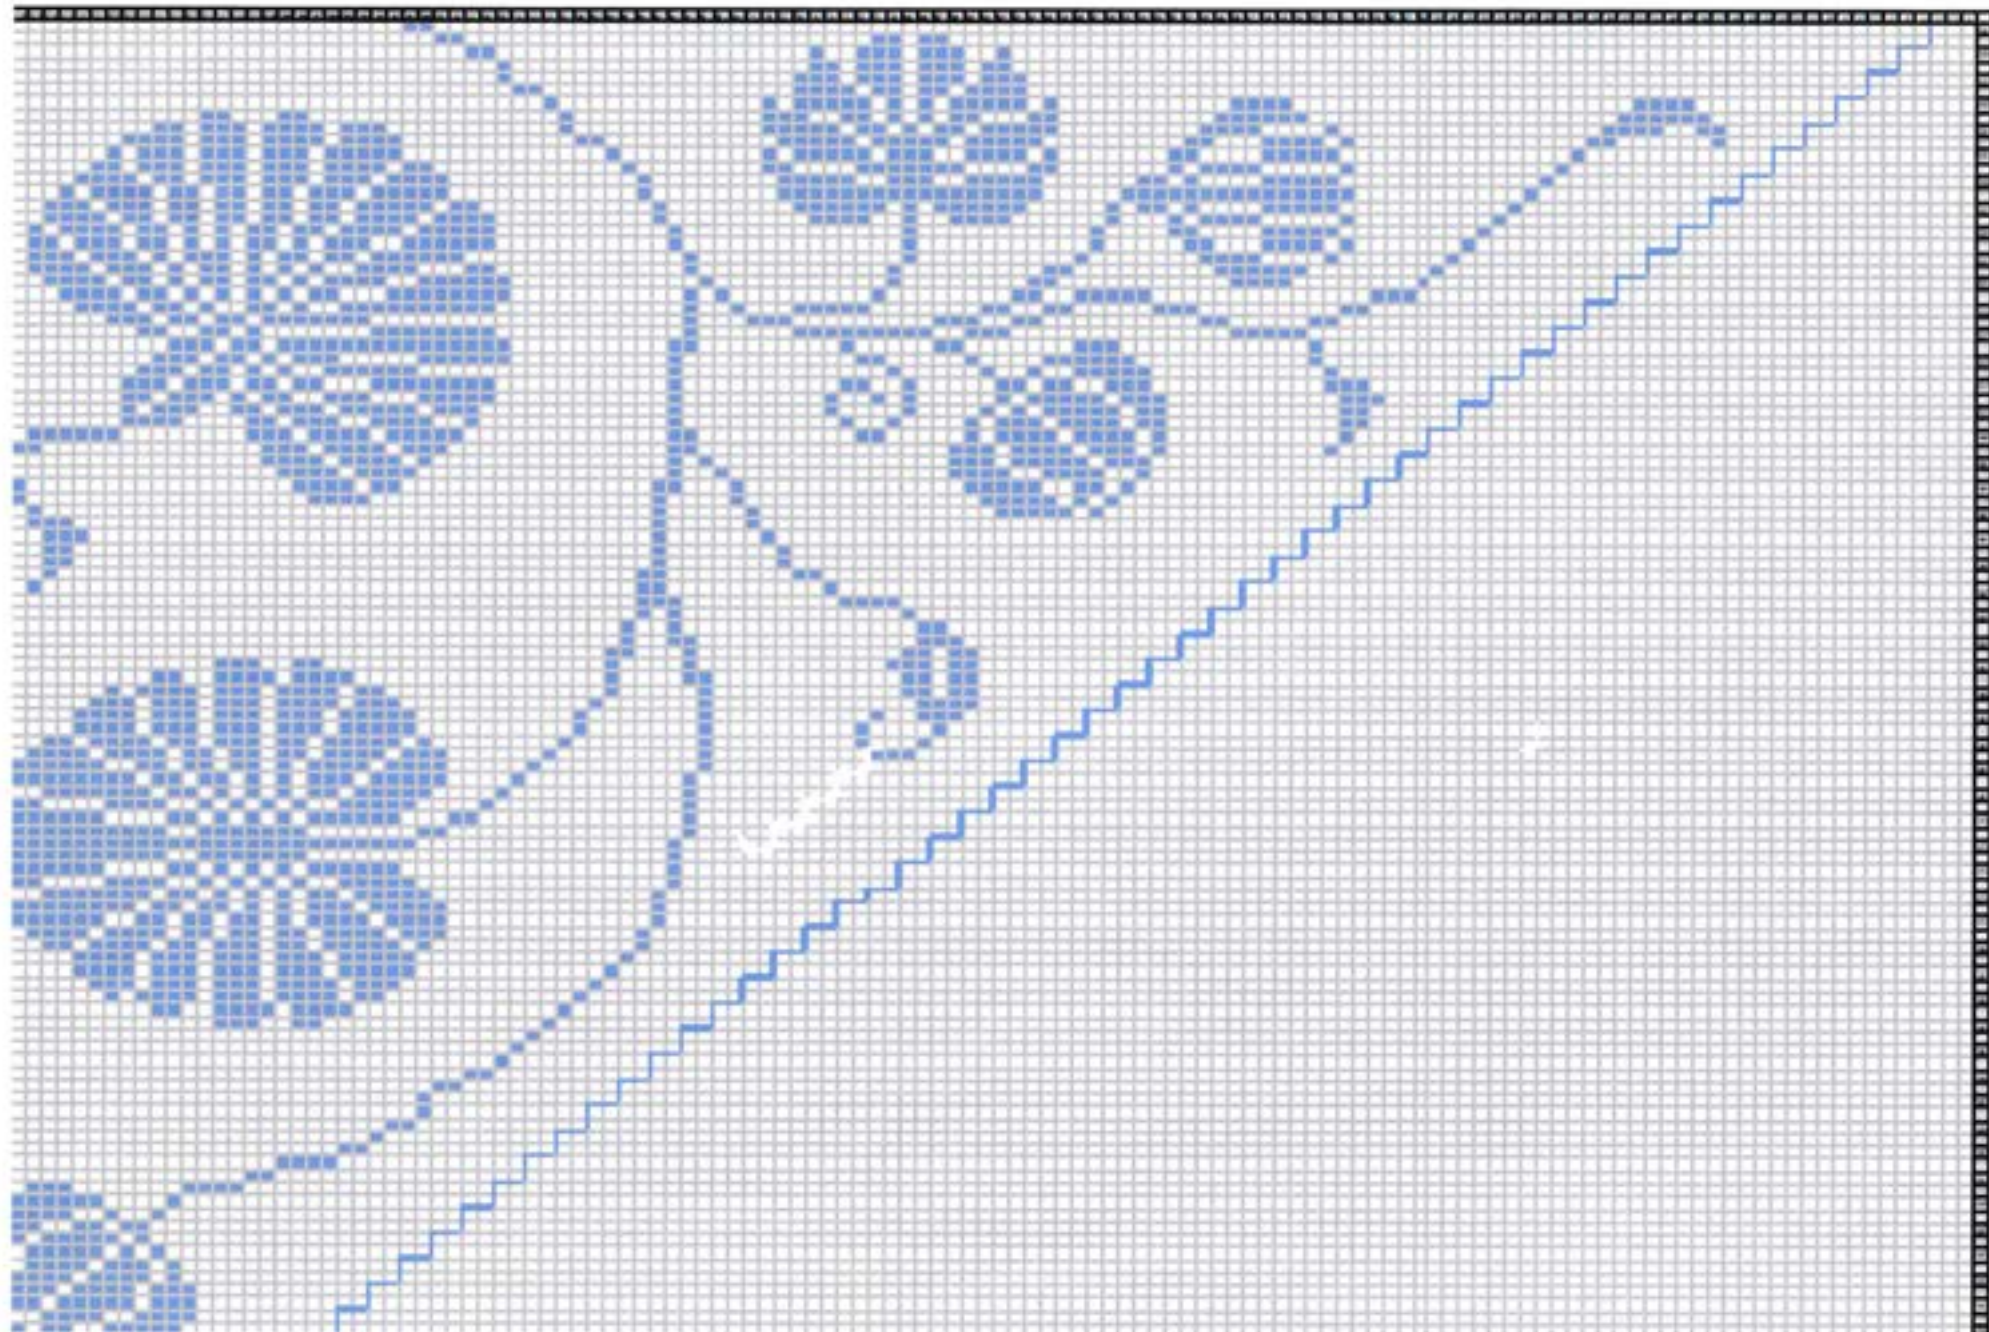

- row 1 : knit,
- row 2 : purl,
- row 3 : start with the chart (k1, M1R, k 1, M1R, k1 in color, M1L, k1, M1L, k1) 9 stitches
- row 4 : purl in color,
- row 5 and all odd row : increase 2 stitches at the beginning and at the end of the row. (4 stitches increase)

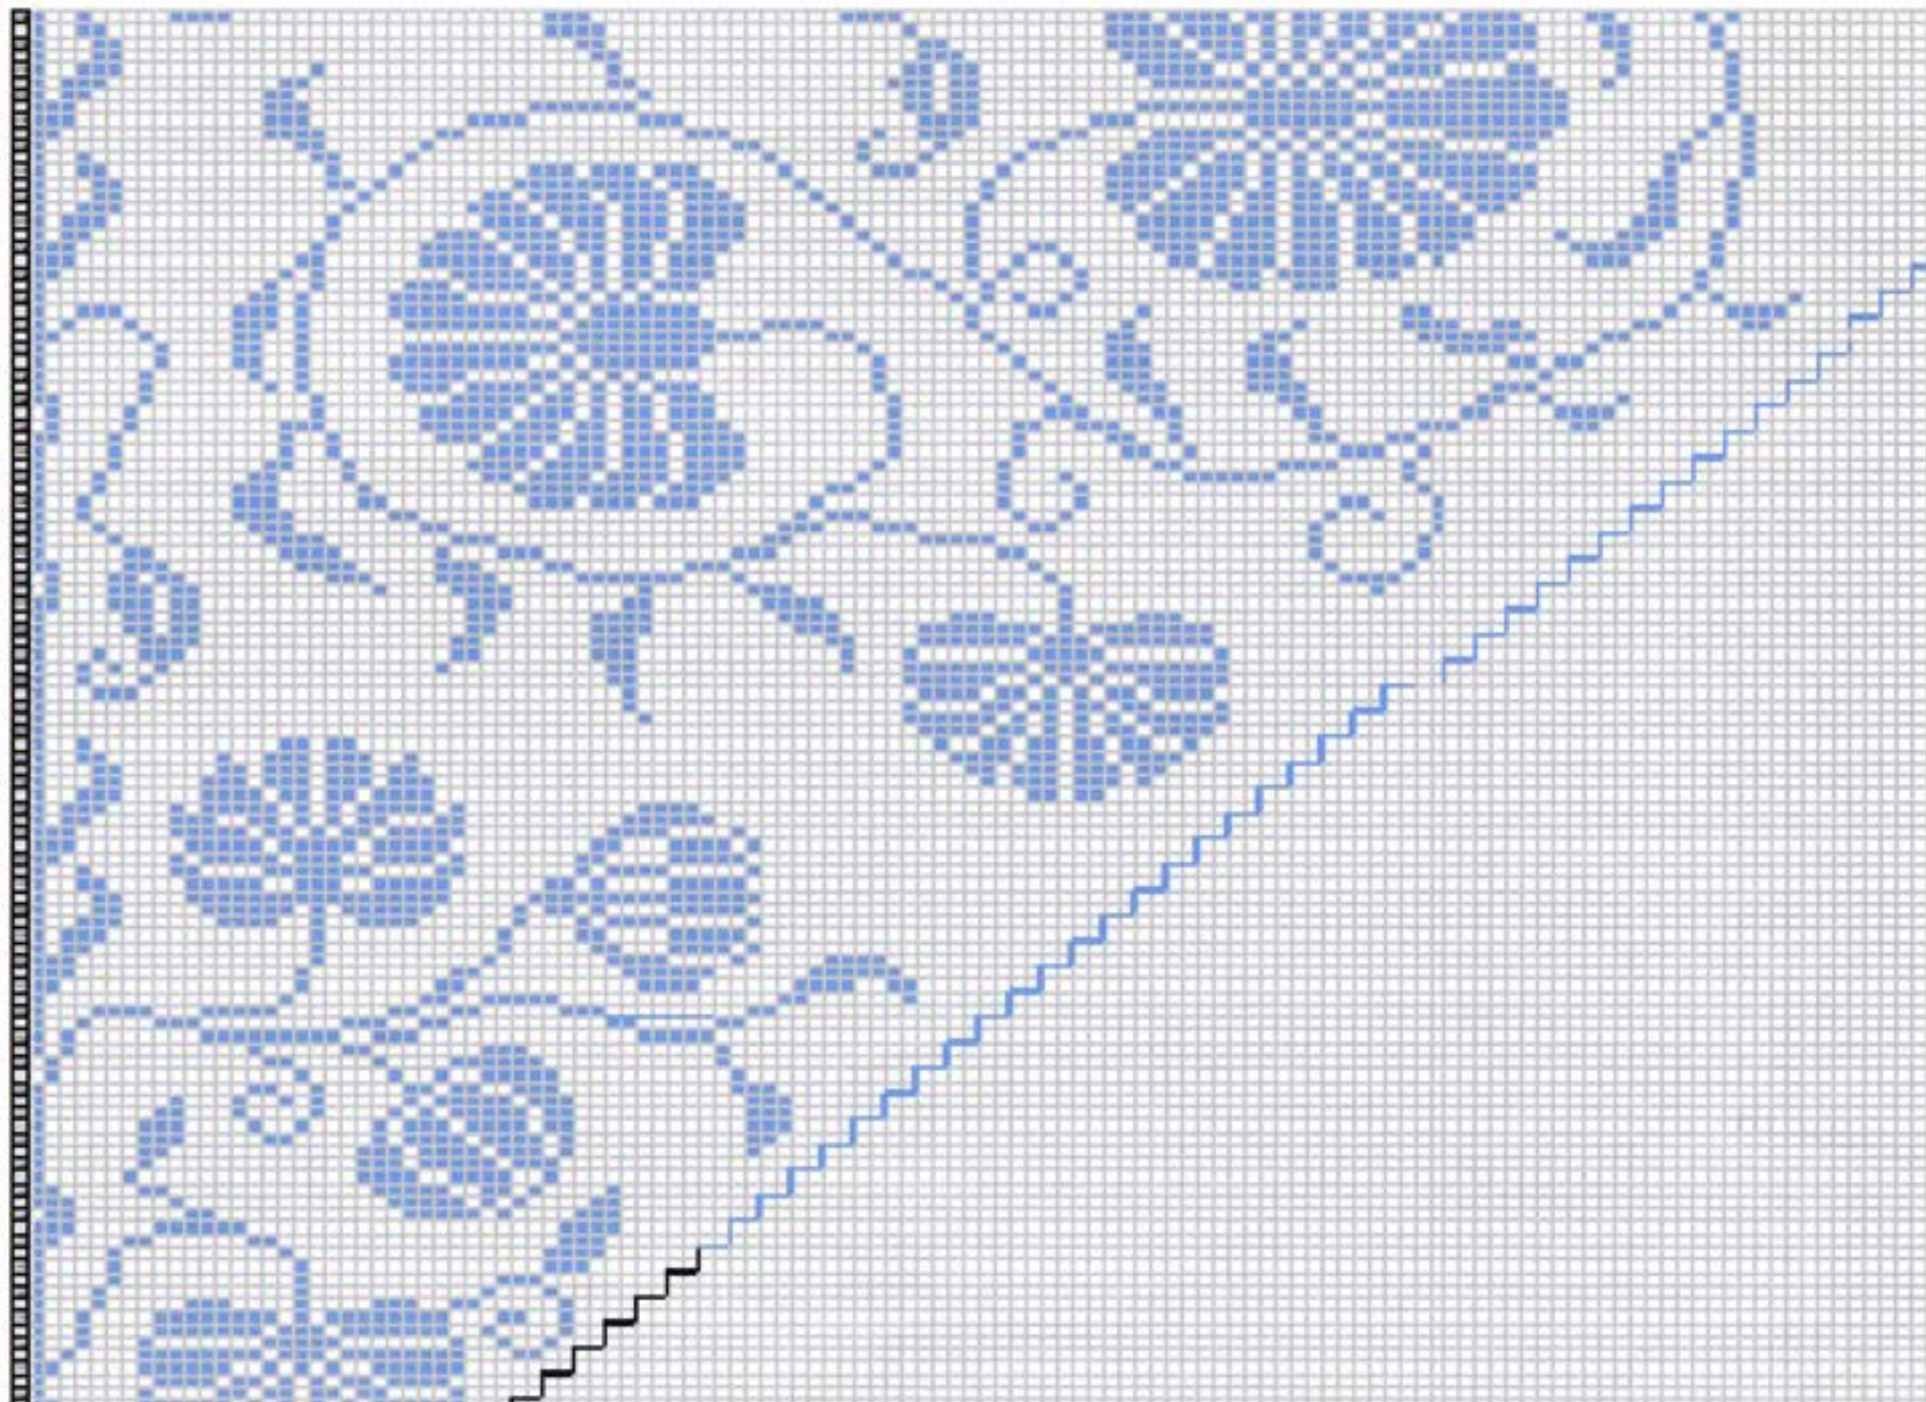

After about 20 rows continue in the round with 7 or 9 stitches for the steek.

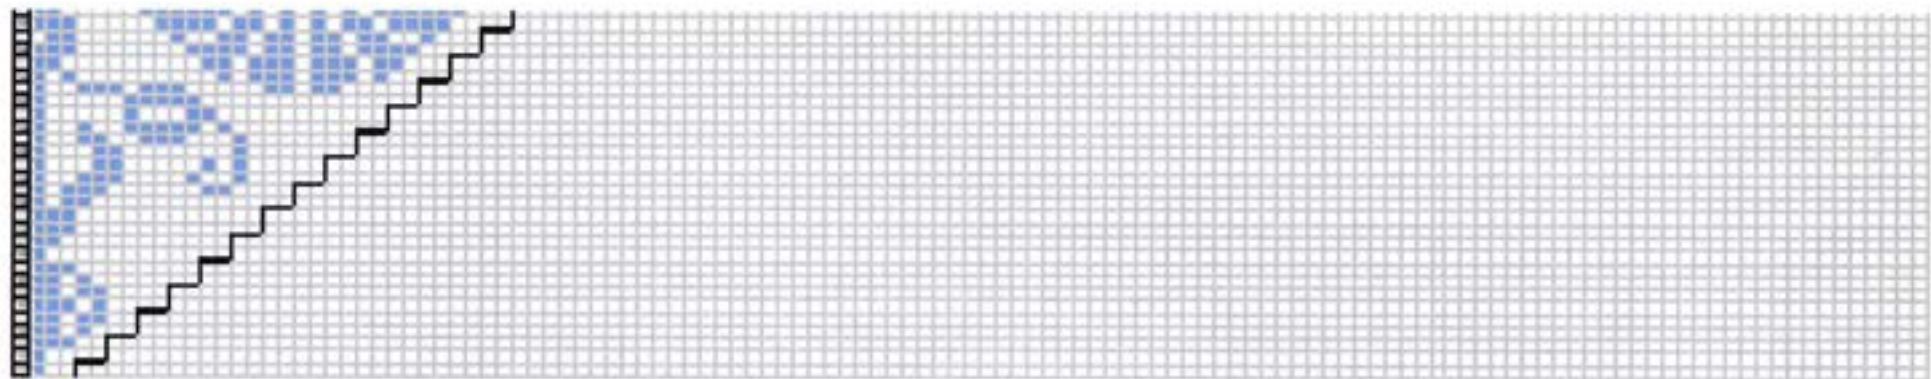

When the chart is finished, secure the steek with hook, crochet or other method and cut the steek. *Good luck*

Pick up the stitches for the border and knit the border according to your taste.
