TASTED

Château Caillivet 2009 - élevé en fûts de chêne Noté 90 / 100

Andreas Larsson – Meilleur sommelier du Monde en 2007

Note : 91 / 100

"Elegant and pure nose of dark berries, black-currant, damp tobacco and fine spices, the palate is medium to full, quite dense with inky fruit, muscular and tannic with good length, still youthful and reserved but with fine capacity and plenty of stuffing."

Markus del Monego – Meilleur sommelier du Monde en 1998

Note : 89 / 100

"Dark purple red with violet hue. Ripe fruit and mild spices in the nose. On the palate soft and velvety character with ripe tannins."
