

Chinese portraits !

If I were a number, I would be nine because it is my birthday. If I were a month, I would be August because it's my birthday. If I were a country, I would be Australia. If I were a food, I would be chocolate, white chocolate, because I love white chocolate. If I were an animal, I would be a cat. If I were a colour, I would be pink because it's my favourite colour. If I were a school subject, I would be maths. If I were a celebrity, I would be the Queen of England.
