

PROJET MUSICAL***Everything's gonna be alright*****Sweetbox – 1999**

Everything's gonna be alright x2

*Whoever thought the sun would come crashing down
My life in flames, my tears concrete the pain
We feel the end, the darkest, deepest riverbed
My book of life ain't complete without you here
Alone I sit and reminisce, sometimes
I miss your touch, your kiss, your smile
And meanwhile you know I never cry
Cuz deep down inside
You know our love will never ever die*

Everything's gonna be alright

Everything's gonna be okay

Everything's gonna be alright

*Together we can take this one day at a time**Can you take my breath away?**Can you give him life today?**Is everything gonna be okay?**I'll be your strength**I'll be here when you wake up**Take your time, and I'll be here when you wake up**I never thought my heart would miss a single beat**Caress your hands, as I watch you while you sleep**So sweet, I weep as I search within**To find a cure, to bring you back again**And the sun will rise, open up your eyes**Surprise, just a blink of an eye**I try, I try to be positive**You're a fighter, so fight, wake up and live*

Everything's gonna be alright

Everything's gonna be okay

Everything's gonna be alright

*Together we can take this one day at a time**Can you take my breath away?**Can you give him life today?**Is everything gonna be okay?**I'll be your strength**I'll be here when you wake up*

Everything's gonna be alright

*I'd give my life to only see you breathe again**Hand in hand as we walk on the white sands**To hear your voice, rejoice as you rise and say**This is the day that I wake, and pray, okay?**Tears in silence, as time just moves on**You can't hear it though, but I'm playin' my favorite songs**I miss you much, I wish you'd come back to me**You see I'd wait a lifetime, cuz you're my destiny***REFRAIN**
