

MULTIPLICATION ACCORDING TO GOD'S MODEL

“I will bless those who bless you and curse those who curse you. All the families of the earth will be blessed through you.”
Genesis 12:3

Reverend Apostle Joseph TOUBI

INTRODUCTION

All serious builders know it, that in order to succeed in what one is building it is necessary to have a model which fits with the objective required by the builder and then there must be an adequate execution of the said model. This is from GOD.

In order to build a house, the builder should first of all seek for the expertise of a designer who may be an architect. This designer will then establish a series of models and submit them to the prospective house owner for him to do his choice. In fact, the prospective house owner has at least a vague idea of what his house must look like but he doesn't know how to design it. So, a brainstorming session takes place during which the designer submits to the prospective owner, a set of plans and drawings. Many of the proposed plans and drawings are successively rejected until the prospective owner screams and takes hold of one particular model:

“ This is what is good for me! ” shouts then the enthusiastic prospective owner completely won over by a particular model. This particular model drawn up by the designer corresponds to what the prospective owner had in mind. At this point, the first stage is accomplished. The reference model is now established and everyone can consult it and clearly understands what the prospective proprietor wants.

Here comes the second stage. The bricklayers, carpenters, electricians, plumbers and other building corps involved in the construction process must each, within his sphere of competence, execute his task diligently in order to fit squarely with the model established by the designer and chosen by the prospective house owner.

If the second phase is accomplished hitch-free, then the house owner will just have to invite his friends to rejoice over a vision well executed in the natural realm: the house which has just been built according to the chosen model. Once again, this is how GOD rejoices when his House is built according to his Model.

The Church is the invisible Temple of GOD and it is even GOD's Bride. Imagine a man who loves his house to an extent of getting married to it. An unthinkable love, isn't it? But what man's mind cannot imagine is found in GOD's heart. GOD alone has the burning desire to contract a marriage with his House, his spiritual and invisible Temple which is the Church. An incomparable and unthinkable love. It is a GOD's foolishness which infinitely surpasses human wisdom and intelligence. GOD seeks for marriage with his very own Temple which is the Church.

Who will construct this spiritual Temple that GOD ardently wishes to get married to? We, Born again Christians, Priests of the New Testament Priesthood, we are in charge of this high and ultimate mission. Just as it needs diversified technical corps to construct a natural house, GOD also requires Priests called and equipped in various ways to contribute in the construction of the invisible Temple (Apostles, Prophets, Pastors, Evangelists, Teachers, Bishops, Deacons, Born again Christians). Each of these Priests is equipped by GOD with a vision and a set of spiritual and natural gifts which fits to the call he or she has received. He or she works according to the call and gifts received from GOD but for the Temple's construction to be well coordinated and

executed at the great satisfaction of the Temple's owner, two conditions mentioned above must be fulfilled:

Firstly, each worker must have enough knowledge of the model chosen by the House Owner and secondly, each worker must execute his duties in conformity with the model established by the Proprietor.

What is then the objective of GOD the Proprietor of the spiritual Temple which is the Church?

What Model has GOD established for the achievement of his objective?

What would happen if this Model were faithfully applied?

These are the questions that we shall together share in this book so as to understand the reasons why the complete Reform of the Church that is; the complete return to the TRUTH is definitely unavoidable. This reform is not a luxury, but a vital necessity for the destiny of mankind.

GOD'S OBJECTIVE

GOD's objective is two-fold, that is quantitative and qualitative. The quantitative objective is stated at the beginning of the Bible in the Book of Genesis and the qualitative objective is stated at the end of the Bible in the Book of Revelation.

Let first of all look at the quantitative objective:

In Genesis 15:5 it is stated:

"The Lord took him outside and said, look at the sky and try to count the stars; you will have as many descendants as that"

But GOD knows the human heart that HE has created and which always has the propensity of forgetting **GOD'S WORDS**, concentrating on earthly circumstances. Consequently, GOD repeats the same thing several times to Abraham because this is salutary for him and for us who have been called as GOD's workers through Abraham's faith.

GOD repeats this in Genesis 17:2

"I will make my Covenant with you and give you many descendants"

Were these two declarations from GOD not enough for a man of faith and father of faith like Abraham? No, because GOD wanted Abraham and his posterity to clearly understand the nature of the quantitative objective which is multiplication. So, GOD moved to the next stage, explaining to us the reason why HE sticks particularly to multiplication: **it is a Covenant !**

GOD throws much light to this in Genesis 17:4

"I make this covenant with you: I promise that you will be the ancestor of many nations".

Born again Christians, we are under a Covenant with GOD and this Covenant is the multiplication of Born again Christians like the stars in the sky in such a way that it would be practically impossible to count us.

It is not a simple desire from GOD, it is a Covenant with GOD in which we are bound and sealed through Abraham! A Covenant with the Almighty GOD, such is the spiritual significance of the unavoidable and extreme multiplication of the Born again Christians.

Let's stop for a while to understand the verdict of GOD on the crime of screaming all around the world that Satan dominates the world and that the rapture being so near we do have to bother about the state and the move of the natural world. As long as the race of the Lord JESUS-CHRIST is not an overwhelming majority on this natural earth created by GOD, we are Covenant breakers. We have thrown behind us the Covenant under which we have been bound and sealed through Abraham and then, we say: Ah, the rapture is already at hand. Fool, what do you observe when you look around you in the quarter in which you live?

You realize that globally, there are very few Born again Christians in the quarter in which you live and may be you are the only one! You are a scarce race and what you observe in your quarter is what is found all over the globe. Covenant breakers as we are! We have taken GOD for a liar, have forgotten that the quantitative multiplication of the real sheep of the Lord JESUS-CHRIST is a Covenant sealed with GOD and have declared that the work is over and the rapture at hand. The very idea of worldwide Revival is a source of mockery and reasoning to the spiritual descendants of Jeroboam son of Nebat, comfortably settled in their stony and wooden temples and in their religious pyramids all around the world. A Covenant with GOD which becomes a source of mockery and reasoning!

Worldwide Revival is neither a hypothesis nor a theological option, it is a Covenant. This Covenant states that with the Worldwide Revival, the Lord JESUS CHRIST'S sheep will be the overwhelming majority on earth. Fool, let's suppose that the rapture happens today. What account would be rendered? By putting together the eastern blocks of the world dominated by false religions, the atheists of the West, the pagans in Africa and elsewhere, we will come up with a good number of lost individuals as numerous as the stars in the sky in face of few faithful Born again Christians. Is that the Multiplication Covenant that GOD has sealed with us through Abraham? Why do we despise our Covenant with GOD to the extent of putting an end to the race before it starts? The Covenant will and must be accomplished and GOD will do it with the generation which would have enough faith to respect HIS multiplication Covenant. A rebellious generation which has turn back at Kadesh-Barnea, lacking confidence in the extreme multiplication Covenant of GOD, preaches today the false doctrine which states that Satan would be the master of the world created by GOD. The Bible reveals to us that there are many Antichrists in the world but quickly ads that we Born again Christians are the owners of the world created by GOD. Just ask an African farmer if there may be some snakes in his farm. The man will just laugh at you because surely there are many snakes in the farm. But no matter the fact that there are many snakes in the farm, the African farmer has never abandoned his farm for this reason. He consciously cultivates his farm year after year and each time he has the opportunity, he kills some of the snakes inhabiting his farm. This is a lesson of wisdom from GOD. Our farm is the world (Matthew 13: 38) and the Bible tells us that there are Antichrists (snakes) in our farm. Instead of doing like the African farmer, we Born again Christians, have seized this opportunity to flee from our farm.

After these three oracles among which the third highlights the spiritual nature of multiplication of the sheep of the LORD JESUS-CHRIST (this nature being that of a Covenant), GOD could have stopped. But HE was decided to make sure that Abraham and his descendants understand the utmost importance of quantitative multiplication. So, HE said again the same thing in Genesis 22:17.

“I will surely bless you and make your descendants as numerous as the stars in the sky and as the sand on the seashore. Your descendants will take possession of the cities of their enemies”

Here, GOD adds a new meaning. The Covenant is not only that of multiplication, it is also that of the world's government! *Your descendants will take possession of the cities of their enemies.*

The world's government by Born again Christians is not a question of theological debate; it's a question of Covenant with GOD. Fool, do you argue about GOD's Covenant or do you obey it? Do you know what a Covenant with GOD means? You are in the Covenant, tied and sealed under your Covenant with GOD through Abraham. And what does the Covenant which binds and seals you entirely states? It states that you must extremely multiply in number and it also states that you are obliged to be the master of the world. Yes you are bound to be the master of the world! GOD has not given any condition as it is for Leviticus blessings. Through Abraham, GOD has tied, chained and imprisoned you from generations to generations through this Covenant of multiplication and government of the world. And what are you doing? You are building false doctrines and theologies which say that the rapture is already at hand whereas in your neighborhood, you see pagans as numerous as the stars in the sky while Christians are as scarce as water in the Saharan desert.

Facing the reality of the systematic occupation of all Governments and secular organizations leadership by Satan's priests, you spiritualize your error declaring that one have to detach oneself from natural things. Fool, if you are that spiritual, why did your freemason Head of State, encourage the voting by rosicrucian parliamentarians a law prohibiting you from condemning homosexuality ? That is how Satan possess the doors of your so-called church to the extend of gradually dictating what to preach and what not to preach. Aren't you under the curse of one who has despised GOD's Covenant ? Surely you will argue that this Covenant which is unavoidable because declared by GOD, concerns only the Jew according to the flesh. Behold, the new gift of the apostate christianity: the gift of pecking. I peck only at Abraham's faith but the Covenant of this same faith does not concern me, it concerns someone else. What a fake spirituality and an unorthodox gift within the apostate christianity. Either one thing amongst two. Either you accept the faith of Abraham and all the Covenants which constitute the substance of this faith, or you reject Abraham's faith and its total content. From who have you inherited this gift of pecking which selects Abraham's faith and rejects its content ?

What is the content of Abraham's faith? The content of Abraham's faith is a set of Covenants with GOD and among these Covenants, there is eternal Life in JESUS-CHRIST, great multiplication, the possession of the enemies' cities that is the government of the world, the Covenant of paternity which states that it is the Christian who decides on the fate of people on earth (all the nations will be blessed in you, you are the salt of the world, the light of the world). Born again Christians, let's abandon our thoughtlessness and our criminal theologies. We are a nation enchained under GOD's Covenants through Abraham and anyone under a Covenant with GOD is obliged to respect it. There is no possible or other alternative. You put your Covenant ring on the finger of your wife and behold you find her in the hands of another man. All what she has to say to you is: "Excuse me dear, I was distracted and I forgot that we were in a marriage Covenant". This is typical of what we do to GOD when we philosophize on the possibility of the Worldwide Revival or on the opportunity for Christians to govern the world. Let's recall again the verse of Genesis 22:17 that we've just shared:

"I will surely bless you and make your descendants as numerous as the stars in the sky and as the sand on the seashore. Your descendants will take possession of the cities of their enemies"

In the above verse, GOD moves from stars to sand; from what is far and apparently inaccessible to what is near. From the far-off stars, GOD suddenly brings Abraham's eyes and his posterity's to the sand which is simply under their feet. Here GOD talks to those who think instead that this extreme multiplication which is the Worldwide Revival is a long way off. It is not a long way off, it is as near and close as the sand on the seashore, just under your feet. GOD talks also to those who think that this Worldwide Revival has already taken place in the past. In fact, many of the stars we perceive in the sky present are an illusion. They have disappeared since millions of light years but since it took millions of light years for the light of these stars to reach us, we now see in the sky the image these stars which do not exist anymore. But GOD suddenly leaves these stars and invites the nowadays Thomas who want to see before they believe, to touch the sand which is at the seashore just under their feet in order to well understand the Covenant of Worldwide Revival and of world government by Christians.

Rebels who turn about at Kadesh Barnea, know that GOD will give the promised land to the generation which respects the multiplication and world governing Covenant.

Let's now tackle the qualitative objective of GOD.

The Book of Revelation reveals to us the qualitative objective of GOD. Let's discover it together. It is written in Revelation 19:7-8.

*“Let us rejoice and be glad and give HIM Glory!
For the wedding of the Lamb has come, and his Bride has
made herself ready.
Fine linen, bright and clean, was given her to wear. (Fine
linen stands for the righteous acts of the saints)”*

A prepared Bride, with fine linen, ready for marriage with GOD! The fine linen is our righteous acts, that is the Priesthood. When the Lord JESUS CHRIST enters into the waters of Baptism, He says to John the Baptist that it is a righteous act. It is an act of Priesthood accomplished in TRUTH. The acts we accomplish in Priesthood according to GOD's will are the totality of our righteous actions. These Priesthood acts accomplished in TRUTH constitute the fine linen in which we will be dressed to be presented for marriage to our Husband the Lord JESUS-CHRIST. A Church which accomplishes the True Priesthood: that is the qualitative objective of GOD.

Now in the Reform books “Going back to the truth service”, “Tithes and Offerings: going back to the truth”, “Going back to the truth Baptism”, we have already seen that it is not possible for us to execute the New-Testamentary True Priesthood in stony and wooden temples in which people are gathered by thousands. The next shares on “Going back to the truth Holy Super” will confirm the impossibility of accomplishing the True Priesthood in stony and wooden temples.

How can we recognize the fact that we are preparing ourselves well as Bride? There is a clear sign. When we accomplish the True Priesthood, GOD gives us, like to David, Hezekiah, Jehosaphat, the POWER and spiritual Authority necessary to take over the government of the country, of the continent and of the world from the hands of Lucifer. But if the rosicrucians, the freemasons, the skull and bones equally called “bonesman”, the illuminatis, the African witchcraft priests governs states and secular organizations, that means that we are naked, out of the True Priesthood and void of POWER and spiritual Authority. And when Satan, in the course of pushing across his principles and advantages goes to the extent of preventing us from

preaching against homosexuality, we philosophize that we should not cling to earthly things because the rapture is at hand. Turn back and return to the TRUTH in the New Testamentary Priesthood.

It is not after the rapture that we will know if we are dressed in fine linen. From now on, we can know it by answering a simple question:

“Who governs the world? Is it the Church or Satan?”

GOD did not want our nakedness to surprise us after the rapture. So He has designed a simple criteria to enable us to recognize whether we are or not dressing ourselves with fine linen while we are on earth. And this criteria is not a mere wish, it is a Covenant in which we have entered with GOD through Abraham.

“Your descendants will take possession of the cities of their enemies”

It is no longer the time of martyr and slavery under Lucifer and his priests. The third millennium of our birth has come. Like the HEAD came out of the grave the third day, it is time for us to come out from slumbering and spiritual immaturity. It is the moment of reign, of the revelation of the Sons (and Daughters) of GOD to the whole creation which is waiting in eager expectation for the sons of GOD to be revealed (Romans 8: 19). There is time for everything, and so the time for slavery in the Roman Empire is finished. Born again Christians, let us discern time. It is time to multiply and to rule the world and we are obliged to do so **because it is a matter of Covenant with GOD.**

The apostate Christianity nowadays singularly lacks an essential gift: the discernment of times. The luciferian machine of gigantic religious pyramids and stony temples endowed with a perfect administrative organisation occupy Christians so well that none has the time to think about the time in which we are in order to understand what Israel must do: multiply and possess the enemy’s cities that is to govern the world created by GOD (and not by Lucifer as voluntarily preached by the apostate christianity).

This is how we recognise the real fathers in the Church. The real fathers know THE ONE who is from the beginning (1 John 2:14). Now who is from the beginning? The answer is found in the first verse of the Bible in Genesis 1:1.

“ In the beginning GOD created the heavens and the earth”

The real fathers of the Church have the ultimate mission given to them by GOD since Abraham: the multiplication and takeover of the world’s government. The real fathers of the Church work for the accomplishment of this **Covenant** of multiplication and possession of the cities of Rosicrucianism, Freemasonry, Skull and bones, Bohemians, Council on foreign relations, Trilateral commission, Illuminatis, Bilderberg group, Jason group, various satanic priests organizations in Africa, in Asia, in Europe and in America which pretend to be “ the new masters of the world”.

Lacking the discernment of times and comprehension of the construction model handed to us by GOD, we have not engaged the necessary work for the accomplishment of the **Covenant**.

Let’s first tackle the time in which we are in the world, before coming to the construction of GOD’s spiritual Temple.

IN WHICH TIME ARE WE?

Three time indicators clearly show us that the Church which till now was found in the state of dry bones is to wake up now. Two indicators are related to the number 666 and one indicator related to the resurrection. Let's tackle the two indicators linked to the number 666.

On three occasions, Lucifer tried to completely annihilate GOD's race through three worldwide satanic holocausts.

The first attempt of worldwide satanic holocaust orchestrated by Haman under the Persian empire is described in the Book of Esther in chapters 3 to 9. This first attempt for the complete annihilation of the divine race is the first number 6, placed on Cain and all his descendants since Eden Garden.

The second attempt of GOD's race annihilation at a global scale took place under the Roman Empire. Many roman Emperors gave themselves as objective the complete annihilation of Christians and the end of Christianity. This second holocaust attempt also failed for we are as well the spiritual descendants of the Christians who were thrown to lions under the Roman Empire. This second annihilation attempt of the divine race is the second number 6. This second number 6 is sealed upon Cain and his descendants since the Eden Garden.

Having failed in the annihilation of the spiritual Jews under the Roman Empire, Satan came back to the natural Jews and inspired his priest Adolph HITLER the third and last worldwide holocaust attempt. As the second holocaust attempt, this third one failed after being partially executed. This third worldwide holocaust attempt is the third and last number 6 sealed on Cain and his descendants since the Eden Garden.

Till the rapture there will be no more worldwide holocaust attempt. The Jew be he natural or spiritual will not know another global holocaust attempt till the rapture (although there may be some local attacks from Satan). The three number 6 are already accomplished and the Church as well as the natural Jew has to pass from slavery and persecution to reign. Some people think about separating the natural Jew from the spiritual Jew, whereas it is the same story happening at the same time in two versions; the old and the new version just as our Bible which comprises at the same time the Old and the New Testament. If you wish to separate the story of the natural Jew from that of the spiritual Jew, then remove the Old Testament from your Bible. With our criminal spirit we have proclaimed that the natural Jew will return to the Lord JESUS-CHRIST only after the rapture of the Church. Fool! The natural Jew awaits only the Worldwide Resurrection of the Church to gain back his place in the nourishing sap from the olive root (Romans 11: 17). He has been momentarily broken off so that you could be grafted in. Do you intend to sleep for more than two prophetic days, thus obliging the natural branches to long for more than two days? Criminal you are, declaring that the natural branches have to wait until after your rapture. The death of CHRIST-JESUS gave you birth at Golgotha two days ago and you were a born dead. Now that comes the time to awake and get out from your grave, you prefer permanent slumbering. Fool, the natural branches are longing to gain back their place on the nourishing sap.

Why did the three global holocausts fail? It is the three prayers made by the Lord JESUS-CHRIST at Gestemane which annihilated beforehand the three holocausts corresponding to the number 666 and programmed by Lucifer.

We have just shared the first indicator of time which is related to the number 666. Let us tackle the second indicator which is related to the same number.

The Bible tells us that the Church is built on Peter. Before his spiritual resurrection, Peter denied the Lord JESUS-CHRIST three times, and each refusal corresponding to the number 6. The three denials form the number 666, the man's number. The Church which is built on Peter has exactly followed Peter's denials by denying the Lord JESUS-CHRIST for thrice since the Pentecost. This triple denial of the TRUTH by the Church since the Pentecost are the three world religious pyramids: Babylon the Great, Ohola and Oholiba. Each of these religious pyramids is the number 6, and the three constitute the 666 man's number. The reader could consult the Book entitled « Going back to the True Service », freely available in the website www.worldwiderevival.org to understand the birth, the nature and the pagan actions of those three religious pyramids that have led the whole world astray for about two thousands years, meaning two prophetic days.

After His resurrection, the Lord JESUS-CHRIST corrects Peter's three denials, restores him by the Power of the HOLY SPIRIT and behold, Peter becomes the tool for Pentecost launching. This is exactly the way that the Church founded on Peter will follow. After having denied the Lord JESUS-CHRIST on thrice by building the three world false religious pyramids, the Church, being restored by GOD and awakened by the Power of the HOLY SPIRIT is going to get back to the TRUTH which is in the Bible and to lunch the Worldwide Revival.

The Lord JESUS-CHRIST had prayed three times in Gestemane before his victory on the cross of Golgotha in order to annihilate the number 666 in the Church.

We have just finished sharing about the second time indicator related to the number 666. Let us now tackle the third time indicator which is on the resurrection.

The whole Church history begins at Golgotha and ends with the resurrection followed by the rapture to heaven. The FATHER who is the HEAD has passed through these three stages and the spiritual Body of the HEAD which is the Church is also passing through the same three stages. The HEAD and its spiritual Body necessarily have the same history and you just need to look at JESUS-CHRIST'S victory steps to have the revelation of the three steps of the Church victory.

As a matter of fact, the Lord JESUS-CHRIST was crucified in Golgotha, he spent two days in the Hades, resurrected the third day and then ascended to heavens after revealing HIMSELF to his chosen ones for a total of forty prophetic days.

The two days that the Lord JESUS-CHRIST has spent in the Hades are two prophetic days, meaning two thousands years during which the Church, that is the spiritual Body of CHRIST JESUS must be in a state of spiritual death, of spiritual childhood and slavery on earth. These two prophetic days, that is, these two thousands years will end in the year 2030 because the Church was born in the year 30 at the Pentecost.

Then, the Lord JESUS-CHRIST resurrected the third day and the conclusion is immediate for the spiritual Body of the Lord JESUS-CHRIST: the Church, the spiritual body of the Lord JESUS-CHRIST is going towards the end of the two prophetic days, that is, the end of the two millenniums of slavery within the natural world. The Church will resurrect and take back the natural world government for one thousand years and impose GOD's Priesthood during the third millennium, because the person who is at the head of the natural world government imposes his priesthood. It is the world revival promised by GOD in Hosea 6: 2

« After two days, HE will revive us; on the third day HE will restore us, that we may live in his presence »

Yes after two days of spiritual death and slavery under the yoke of Lucifer's murderers who are the so-called «new masters of the world », GOD gives back unto us, life on the third day. The worldwide revival will start in 2030, the latest date of the Church spiritual death, the resurrection date of the spiritual Body of CHRIST JESUS. Since the Pentecost, the spiritual Body of CHRIST JESUS was in the grave but in 2030, GOD's lamp will meet the lampstand and illuminate the whole natural world.

After the resurrection in 2030, the last exodus will last for one thousand years, followed by additional 39 millenniums of reign to make a total of 40 prophetic days during which the Church will reign and reveal itself as the HEAD revealed HIMSELF during 40 days after resurrection before going back to Heaven.

At the end of this Church reign for 40 millenniums that will start in 2030, reign which represents the third day of JESUS-CHRIST'S resurrection followed by 39 days of revelation to CHRIST disciples, the Church will be raptured by the HOLY SPIRIT in the same way that the LORD JESUS-CHRIST went to heaven after resurrection. What the Father does, the same does the son.

Many born again Christians have often and sincerely rejected the idea that there could be a second and last worldwide exodus. This is because we had not understood that we are the spiritual Body of CHRIST JESUS, and that all our history is already in what the Head, the Lord JESUS-CHRIST has fulfilled on earth. The Church future, that is, the natural world's (because it is the state of the Church that determines that of the natural world) is in the past that is in what the Lord JESUS-CHRIST has already fulfilled. What is has already been and GOD brings back what was.

1 Corinthians chapter 15 verse 4 reads:

« *That HE was buried, that he was raised on the third day according to the Scriptures* »

After he had been buried, the HEAD resurrected the third day and then revealed HIMSELF to HIS chosen disciples for 40 days. It is exactly the same way that the Body who is the Church follows. Two prophetic days of burial, of dry bones and then resurrection on the third millennium, on the third prophetic day. As the HEAD appeared to many people after its resurrection, and then ascended to heaven, then the Body which is the Church will after its resurrection give vivid proofs of CHRIST-JESUS' resurrection to the whole earth during 40 prophetic days and then the body will be raptured to Heaven.

The three indicators of time reveal to us that the period of martyr and slavery is finished. It is the moment of extreme multiplication and government of the world. The martyr, humiliation, suffering endured since two prophetic days were as well Biblical as the reign which takes off on the third prophetic day is Biblical. The Bible has no vain WORD and it is not vainly that GOD established us proprietors of everything and adds that we are judges of everything whereas no one judges us.

For the moment, Lucifer is the one standing on the doors of the Church and imposing us not to preach that homosexuality is an abomination. Why? For two reasons and we have just seen the first that is ignorance of the time being. Let us now tackle the second reason which is the disdain of the construction model established by GOD. We tackle now the model that GOD has established for the accomplishment of the **Covenant** in which HE has sealed us. Let us compare the way in which we build with what GOD's model tells us.

This is the model (that) GOD has scheduled for the accomplishment of his double objective that is a numerically overwhelming Church and a Church which executes the True Priesthood and governs the world.

GOD'S MODEL

We have just said that all serious builders starts with the model. And this is particularly true in GOD's Priesthood. In Exodus 25:9 GOD says to Moses:

"Make it and all its furnishings according to the plan I will show you".

It couldn't have been otherwise for how can you build GOD's Priesthood without being inspired and guided by GOD's model? If you recognize GOD as the proprietor that is the initiator and the consumer of the Priesthood, then, build according to the Proprietor's design. The entire Book of Exodus is used by GOD to describe the Leviticus Priesthood model to Moses. Moses executed the model just as he received it from GOD.

Let's now move over to Solomon's Temple. It is written in 1 Chronicles 28:11-12.

" Then David gave his son Solomon the plans for the portico of the Temple, its buildings, its storerooms, its upper parts, its inner rooms and the place of atonement.

He gave him the plans of all that the SPIRIT had put in his mind for the courts of the Temple of the LORD and all the surrounding rooms, for the treasuries of the Temple of GOD and for the treasuries for the dedicated things"

Now, let us consider the Priests, who in this New Testament dispensation are charged with the construction of the spiritual Temple which is the Church. What is therefore our model? It would appear that by a deep spiritual slumber which dates back to the advent of the Roman Empire, we have been led to a misconstrued thinking that we could build GOD's spiritual Temple without any reference to a precise model. Total abomination and derailment!

Church reforms want the True Priesthood of GOD brought back, that is to a good understanding and execution of the model that GOD has shown us. For whom are we building if we do not make reference to a precise model? What is the model established by GOD in order to attain the double quantitative and qualitative objectives that we have examined earlier? Let us tackle this model.

THE LOCAL ASSEMBLY

In the Bible, each local Assembly of the Church of the New Testament is entirely autonomous and does not depend on another Assembly. As described in the New Testament, there is no hierarchical organization which imprisons the local Assembly. This local Assembly does not build any stone and wood temples and it holds its sessions only in houses inhabited by Christians. Let us read some references with respect to this subject:

"The Churches in the province of Asia send you greetings. Aquila and Priscilla greet you warmly in the LORD, and so does the Church that meets at their house"

“Give my greetings to the Brothers at Laodicea, and to Nympha and the Church in her house” (Colossians 4:15)

“ Paul, a prisoner of CHRIST-JESUS, and Timothy our Brother, To Philemon our dear friend and fellow worker, to Apphia our Sister, to Archippus our fellow soldier and to the Church that meets in your home: Grace to you and peace from GOD our FATHER and the LORD JESUS-CHRIST” (Philemon 1:1-3)

Where were the Church born? Let us read the Bible. It is written in Acts 2:2

“ Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting.”

It is in a house that we, the Church were humbly born, not in a stony and wooden temple!

In fact, what confirms to us that the Local Assembly is autonomous and is answerable only to the LORD JESUS CHRIST? This confirmation is made in the Book of Revelation. When GOD writes to the seven Churches in the Book of Revelation, HE writes directly to the Angel of each Local Assembly. This implies that GOD holds each Local Assembly as being directly responsible in front of HIM. GOD does not write to any one “world Pastor” based for example in Jerusalem to ask for the accounts of a Church situated in Thyatira. Why is each Local Assembly autonomous? It is for a spiritual reason. Each Local Assembly has a GOD’s Angel designated by GOD to take care of the Local Church. This is revealed to us by the Book of Revelation. GOD does not actually see the necessity of organizing churches into districts, regions etc. The idea of “district pastors” “regional pastors”, “national pastors” and “world pastor” is diametrically opposed to GOD’S model. This, because GOD has assigned an Angel to take care of the Church found in your neighborhood, and that is enough. We are in Priesthood and not in the construction of a secular enterprise.

What have we done? Today, the very idea of making the Assembly humbly in the house in which we live is so foreign that we laugh when one speaks to us about it! Workers in the yard who laugh when one shows them the Owner's model that is going to appreciate if the spiritual Temple is built well or not. That is what happens in our days of generalized apostasy.

Let's insist more. The visible things come from the invisible and in particular, the organization of the Church in the world must come from the invisible, from the model revealed by GOD. If GOD had had in thought a model of pyramid for his Church, here is what HE would have said in Revelation chapters 1, 2 and 3: «Write to the Angel of the Church of Jerusalem and ask HIM to talk to the Angel of Ephesus Church to give HIM the following message concerning the Church in Ephesus”

Did GOD speak to us so? No, HE has directly HIMSELF and in PERSON spoken to the Angel of every Local Church taken individually. If GOD speaks so directly to the Angel of every Local Church, it is to mean that HE totally disapproves all authority which could come to interfere between HIM and the local Church

And yet, there is a hierarchy between GOD'S Angels. We see for example in Revelation 14: 15-16 that an Angel comes out of the Temple and gives an order to another Angel sitting on the cloud. Here is a clear case of an Angel that orders another because HE has authority on HIM. If GOD had had in heart a hierarchized and pyramidal model for HIS Church, HE would have said, «Write to the Angel of the Jerusalem’s Church who command the others and ask him to Talk to the Angel of the Pergamum’s Church»

However, to show well that every Local Church is well autonomous that means directly placed under GOD'S authority without any mediator, GOD who knows better than whoever the hierarchy of Angels, speaks directly to the Angel of every Local Church.

Born again Christians, the religious pyramid is satanic, it was lent to us by Lucifer. All the vast administrative machine of the world with its cohort of "District Pastors" Zonal Pastors" "National Pastors" "World Pastors" is a vast network of Lucifer .

A Local Church holds its sessions in the neighbourhood and does not depend on any other Church or organization.

Many sincere Christians fast and pray for the revival of their cities without results. You stand out of the suitable model given by GOD for the achievement of the double Covenant of multiplication and government of the world and then you ask for a multiplication of crop in your city. Return to your domiciles and create house Churches there and the revival will come all alone. Why will the revival come all alone? Fools, read your Bibles therefore and have confidence in what is written there. The revival will come all alone, because if four thousand born again Christians living in a city of four millions inhabitants return to the TRUTH and create Churches in their domiciles, GOD will answer immediately by the consignment of four thousand Angels parked permanently in the city (if there is for example a domicile by Christian). An Angel by house Church . And do you know what happens when a military garrison of four thousand Angels of GOD occupies permanently a city? Fool, the answer is quite simple: the Revival. In case of a return of the four thousand Christians to four thousand modest house Churches in the city, GOD will send in addition to the four thousand Angels parked in house Churches, a supplementary Angel assigned to camp around every Christian of the city who has decide to fear GOD by returning to the TRUTH that means to the model given by GOD. It makes four thousand supplementary Angels camping around the four thousand Christians; which mean a total division of eight thousand Angels of GOD that disembarks and settle permanently in the city of four millions inhabitants. And what is the result? Fools, the result is the Revival.

Certain forgery « pastors » from Oholiba are going to pretend that those who are baptized of the HOLY SPIRIT don't need Angels anymore. These stray that do not read the Bible anymore are even going to shout at worship of Angels. Fools, do you have more unction of the HOLY SPIRIT than Apostle Peter? And what happens when Christians pray for Peter who is jailed? GOD sends an Angel to deliver Apostle Peter! Fools; who comes to answer to the intense prayers of the Lord JESUS-CHRIST at Gethsemane? An Angel sent by GOD! Let's go in Matthew 26: 53 and let's read what the Lord JESUS-CHRIST says when HE is arrested in Gethsemane's garden.

«Do you think I cannot call on my FATHER, and HE will at once put at my disposal more than twelve legions of Angels ?»

What does GOD do when you cry to HIM in prayer asking for help or intervention? HE sends Angels but provided that these Angels have the right to help you. If you are not in the TRUTH, Satan will prevent these Angels from helping you and that is what happens nowadays with Christians all shut in the spiritual fornications of stony and wooden temples where members of darkness lodges and born again Christians give themselves hand in a worship to demons. Daniel was in the TRUTH but, in spite of that, the Angels had to fight firmly against demons princes to bring to Daniel the answer to his prayer. Imagine therefore, what about you who despise what is written in the Bible while multiplying pharisaic prayers. No Angel can move for your so called

revival prayers because Satan reads the Bible and he objects that the Angel has the right to camp solely around those who fear GOD that is those who are in the TRUTH.

When eight thousand Angels settle in the city of four millions inhabitants because four thousand Christians have returned to GOD'S model to establish four thousand house Churches in the city, answers to prayers increase and accelerate and it is all the city that turns into centre of miracles. That is what will happen when we shall all turn to assemble in the houses as ordered in the New Testament by GOD.

The Bible does not only reveal to us that an Angel takes care of each Local Church. It also reveals to us he who reigns on the temple of stone and wood in which a good number of devils and witches mix up with Christians. It is written in Matthew 4:5.

“Then the devil took HIM to the Holy City and had HIM stand on the highest point of the temple”.

Lucifer reigns at the highest point of the wooden and stony temple because this temple of stone and wood has already been rejected by GOD. Not one stone of this temple will be left on another; everyone will be thrown down

Today, he who burns a bull on an altar certainly invites demons into himself because GOD has rejected such type of a Leviticus holocaust out of New-Testament priesthood. It is exactly the same thing for the wooden and stony temple. This temple which originates from the Old Testament was rejected by GOD out of the New-Testamentary Priesthood and that is why GOD does not hesitate to give Satan the right to reign supreme on the top of the temple of stone and wood. Born again Christians, why do you turn back to the wooden and stony temple of the Old Testament? Why do you live under a permanent demonic invasion? Offer as well some bulls on the altar if you think that these stony and wooden temples and these vast religious organizations correspond to GOD'S model.

Will the same four thousands Christians remain in a wooden and stony temple instead of founding four thousand house Assemblies? Then Lucifer standing at the highest point of the stony and wooden temple will easily rule upon them because this temple is a place of fornication, that is spiritual communion between true Christians and soldiers of darkness. In this case, the town does not have GOD'S Angels, but on the contrary, a demon delegated by Lucifer to reign on the highest point of the wooden and stony temple. Perhaps you will still argue that there are still four thousand Angels charged with keeping vigil on the true Christians, for it is written that each Christian is watched over by an Angel (Acts 12:16), (Mathews 18:10). If you think so, you commit a mistake because Satan is vigilant and reads also the Bible in order to accuse us before GOD. Satan will hastily adds that Psalms 34: 7 establishes that the Angel encamps around those who fear GOD and since you are out of the TRUTH, bound in spiritual fornication, you are not entitled to have an Angel encamping around you. Taken aback by this accusation of Satan, your Angel will have no right and no power to encamp around you! Then no garrison of GOD's Angels in the city of four millions inhabitants. And Christians led astray in wooden and stony temples that continue to fast and pray for a revival that keeps itself expected. Fool, is it not written that obedience, that means the practice of the model established by GOD is worth better than your sacrifices (your multiple and boring prayers)? Go back to the TRUTH.

Why do darkness invade the world? The Bible gives us the answer. Let's open our Bibles in Revelation chapters 1 and 2. It is revealed there that every Local Church receives a lampstand from GOD. GOD accomplishes only his own WORD and nothing else. Let's take four thousand Christians who launch four thousand house Churches in a city of four millions inhabitants. Immediately, GOD places four thousand lampstands at the rate of a

lampstand for each house Assembly . And that is how darkness starts vanishing because the city is illuminated by four thousand lampstands. But if the same four thousand Christians regroup within a wooden and stony temple with four thousand wizards and members of lodges of darkness, there will be no lampstand to illuminate the city. The return to house Churches is not a matter of theological debate; it is a necessity imposed by GOD. It is the lampstand that illuminates and GOD puts a lampstand by Local Assembly. If we fill the earth with a billion of house Churches, GOD, faithful to his own WORD will put a lampstand by house Church and an Angel by house Church. That will make a billion of lampstands and an Army of a billion of Angels keeping house Churches. Why do we pray for the salvation of souls while remaining so rebel to GOD'S model? Are we wiser than GOD? Let's abandon our criminal theologies. Return to autonomous house Churches.

WHAT IS DONE IN THE LOCAL ASSEMBLY

The content of what we do in a house Assembly is abundantly described to us in the New-Testament and we are pleased to remind the headlines of it. Meeting of Communion and Support, Meeting of Service and Worship , Apostolic Meetings and Warfare Meetings . The detail of these Meetings is explained in the book «Going back to the True Service» freely available in the web site www.worldwiderevival.org and the reader is kindly requested to report himself there. These meetings transform the house Assembly into a center of life.

With all these spiritual activities, the Local Assembly becomes a production center of Apostles Prophets, Pastors, Evangelists, Doctors whom it releases everywhere in regions of the world where GOD calls them. That is how the Antioch Assembly releases Apostle Paul in the nature without knowing exactly what way is he going. GOD ordered Apostle Paul to leave and then, Antioch's Local Church prays and sets him free in the nature without referring to another Church or organization. Today, it is impossible to leave a wooden and stony temple peacefully. It is a real prison camp and Lucifer's priests who govern the religious pyramids and these temples of stone and wood are especially gifted to frighten Christians with words such as: «one doesn't leave his assembly», «it is necessary to avoid rebellion», «if we don't bless you, you will never prosper in your Ministry», «wait till one validates your Ministry».

THE QUALITY OF MEMBERS IN THE HOUSE ASSEMBLY

As well as Satan disguises into an Angel of Light, his priests disguise themselves into Ministers of Justice and that's why the New-Testament is strict on the spiritual quality of members of the House Assembly. And when a brother or a Sister travels, he (she) receives from his (her) local Assembly a letter of recommendation that accredits him (her) in every other Local Assembly where he (she) could worship (Romans 16: 1-2). You may ask what happens if this letter is false or if the so called Brother or Sister is a false one. Don't forget it; a GOD'S Angel watches over the House Assembly and there is a GOD's lampstand in the House Assembly. If a Lucifer's priest disguised into a Christian disembarks in such a Local Assembly, the Angel watching over the House Church and the lampstand enlightening the House Church will act, thanks to the Power of the HOLY SPIRIT to reveal very quickly the satanic nature of the newcomer to various members of the House Assembly. Immediately, this soldier of darkness unmasked will be hunted out of the House Assembly.

However what are we doing in a stony and wooden temple where 3 000 people assemble under the command of a so called «pastor» who reports to his «regional pastor» who on his own turn depends on a «national pastor»? Impossible to look after the spiritual quality and it is fully happy that Satan sends multiple wizards, vampires, members of lodges of darkness to commune spiritually with Christians in order to destroy spiritually and to annihilate GOD'S plans. Here comes a common varnish: love.

Fools, one loves in the TRUTH and the TRUTH says that when GOD saw that Light was good, HE separated Light from darkness. The TRUTH says that it is in the natural world and not in the Body of the CHRIST - JESUS that wheat and rye grass are mixed up.

WHO GOVERNS THE LOCAL ASSEMBLY ?

The House Assembly is on the departure led by at least a mature Brother but as soon as the House Assembly is sufficiently developed, it is a full college of Elders that leads the Local Assembly. This college is assisted by Deacons and Deaconess.

It is necessary to know that GOD tells us not to despise the small beginnings. If I am alone, I start by making the worship with the HOLY SPIRIT, meetings of Communion and Support with HIM, Meetings of War with HIM, Apostolic meetings with HIM. Seeing that I haven't despise the small beginning, GOD will progressively add one, two or three people and at five, that is already a Big Assembly! But so long as I do not set feet in the waters of Jordan, nothing will happen.

As the House Assembly grows, two Elders whom the HOLY SPIRIT establishes lead in college. The number of Elders and Deacons and Deaconess will progressively increase with the size of the Local Assembly. Especially, watch and make sure that Christians who are already matured leave the House Assembly to go and found other Local Churches or assume the Ministry in which they have been called. That will create room for the new converts. Get rid of all who are spiritually lazy and who doesn't want to grow spiritually and work for the Church's growth in the world. The House Church is a training center, not a place where lazy adventurers who want to be taken care of for sixty years come and rest. It is not even a place of comradeship. We are an Army in War, not a club of fun and carnal affection. Love is solely spiritual which means I teach you how to pray, I share with you hymns that GOD reveals to me, I examine with you your dreams, I share with you what GOD reveals to me in the Bible, I give you my voluntary Offering when I have the joy to do so. And if I notice that you are not becoming my imitator in CHRIST-JESUS by doing what you see me doing, I invite you to return in your domicile and to stay there. We are in war in a bid to multiply and take over control of the government of the world and such a mission has nothing in common with a person strolling on the beach.

THE FIVE MINISTERIAL GIFTS

The Five Ministerial Gifts; Apostles, Prophets, Pastors, Evangelists, Doctors are made to circulate in regions of the world where they are called by GOD and when they stay momentarily in a Local Assembly, they get under the authority of the Elders of this Local Assembly. These

five Ministerial Gifts create Local Assemblies and make them grow but they don't stay there. In a merely transient way, they lead House Churches that they found but this leadership ends as soon as mature Christians capable to lead the herd emerge. A Minister (Apostle, Prophet, Pastor, Evangelist, Doctor) who found a House Church is not even obliged to come back there. Depending on how the HOLY SPIRIT leads him, he may never come back again in this House Church he has founded!

In the human body, blood circulation is necessary and it is similar for the spiritual Body of the CHRIST - JESUS. The five Ministerial Gifts must circulate to make the Body grow and to feed it. Blood that circulates in the human body also evacuates garbage. It is similar for the Church. The five Ministerial Gifts that circulate also have the mission of evacuating false doctrines, misunderstandings of GOD'S WORD, satanic soldiers, satanic behaviours from the whole Church, so that Christians of all the Local Churches all around the world are cleaned and transformed from glory to glory in GOD'S image. Let's look at this in Exodus 26: 26-28. GOD orders Moses to make five acacia crossbars which will hold the vertical frames of the Tabernacle together. These five horizontal crossbars which cross the vertical frames of the Tabernacle at every side of the tabernacle and hold them together are the five Ministerial gifts charged by GOD to circulate and to browse the Local Assemblies in various regions of the world. The circulation of the five Ministerial Gifts comes from Abraham's marches to which GOD ordered to circulate in Canaan to take possession of Canaan spiritually. GOD said to Abraham: « *Go, walk through the length and breadth of the land, for I am giving it to you* ». The five grant Ministerial Gifts inherit the necessity to browse nations of the earth in length and in width from Abraham while other Christians, Elders and Deacons and Deaconess are stationed in their House Assemblies. It is through this unceasing circulation of the five Ministerial Gifts that GOD takes back possession of the world from Lucifer. The five Ministerial Gifts are fathers like Abraham and they have to circulate in regions like Abraham. However, these five Ministerial Gifts are on to disappearance because of wooden and stony temples and because of the religious pyramids. Even the Evangelists are now reduced to solicit the authorization of the «national pastor» to organize an evangelisation campaign. Where are the missionary journeys of Apostle Paul? Where are those of Evangelist Philip? Where are Doctor Apollo's missionary journeys? The answer is the same: the government of the religious pyramid has cancelled. Please ask for the permission! Yet the technological progress brought by GOD permits today to use the NTIC to travel virtually all around the world without leaving ones domicile physically.

WHO SUPPORTS FINANCIALLY THE LOCAL ASSEMBLY AND THE FIVE ROVING MINISTERIAL GIFTS?

The question of the Return to the True Tithes and Offerings has been treated in a separate book entitled " Tithes and Offerings, going back to the TRUTH" and the reader is invited to refer to this book which is available for free in the web site www.worldwiderevival.org
It is worth mentioning here that in GOD's model, all the members of a house Assembly must each have a secular employment or job. It is written in the book of 2 Thessalonians 3:10. "*For even when we were with you, we gave you this rule: " If a man will not work, he shall not eat "*"

Here, Apostle Paul is sending the message to all permanent members of the Local Church of Thessalonica, that is to all permanent members of all Local Assemblies of the Church of New

Testament. But it is different concerning the five Ministerial Gifts. Some are only dedicated to the spiritual Ministry while others simultaneously exercise the spiritual Ministry and a secular job.

Peter abandoned his career of fisherman as well as Matthew abandoned his career of tax inspector. On the other hand Luc didn't abandon his work as physician and all along the New Testament, one calls him « the beloved physician ». Apostle Paul had a secular job; he was a manufacturer and seller of tent and in 2 Thessalonians 3: 8, he affirms that he haven't eaten anybody's food without paying for it, working day and night, labouring and toiling with Sylvain and Timothy so that they would not be a burden to any of the Thessalonians. To manufacture and sell tents, it is necessary to dedicate many months to the purchase of raw materials, to the manufacture of the product and to the search of customers. Yes, Apostle Paul was dedicating whole months to his secular job. If you doubt it, try then to manufacture and sell tents in a half day! You will see if it is possible. Very quickly you will realise that only professionals can exercise this activity and moreover you will realise that even those professionals need several months in the year to manufacture and sell tents. The sale requires a research of customers and every tradesman will confirm to you that sale is an activity that absorbs time. Try then to sell two tents a morning. You will understand quickly that Apostle Paul was dedicating whole months to search and convince customers to purchase his tents. Of course, people are not there standing in front of you and begging you to come and sell them tents. You have to move all around cities and convince them one by one. Just watch at Apostle Paul designing marketing plans, preparing arguments concerning the price and the quality of his tents, explaining to a customer why his tents are the best in the market! If you add the time dedicated to research and purchase of raw materials, to the recruitment of workers and to the confection itself, it deducts that this profession was consuming at least half the of Apostle Paul's time. Has the exercise of this profession of manufacturing and sale of tents which takes many months during the year prevented Apostle Paul from being used by GOD to write several Books of the Bible? No.

Anyway what have we done? We have invented the satanic law of a clergy that never has a secular job. With such a lie that doesn't have anything with GOD'S model, it has become very easy for Satan to hand back the so-called ministers of GOD who depend not on what is written in the Bible but on priests of Satan disguised into Christians who slip themselves slyly in the stony and wooden temples and pour money in begging baskets. Return to the TRUTH.

These are the six principal pillars of the model that GOD has bequeathed to us, his workers. We could have as well described this model with more details, but we limit ourselves to the six fundamental pillars. The conclusion is obvious; we do not respect any of the six fundamental pillars on the construction model bequeathed by GOD. For whom are we building? Certainly, not for GOD. It is here that suddenly appears the sly pretext usually proclaimed in stony and wooden temples.

“But when are we going to convert the entire world with these micro house Assemblies ?”

“What number of Christians can we produce with these small and micro house Assemblies ?”

To answer these questions, let's tackle the following chapter: the formidable efficiency of GOD's model.

THE FORMIDABLE EFFICIENCY OF GOD'S MODEL

Let's start by reminding a deep character of GOD: humility. GOD'S work never achieves in a manner to hit looks. Natural eye can never recognize GOD'S work in progress. How must GOD'S spiritual Temple which is the Church be built?

Let's come back to a natural example first. Let's take a civil transportation plane. Nowadays, these planes are more and more sophisticated and dear. In fact, how do engineers know if the plane still in conception in their thought will be a success? They start wisely by applying the Principle according to which the one who is faithful in small things will be in the big ones. Engineers start by making the plane at a small scale. This scale model looks as twin like the real plane to be built except that measures and dimension of the scale model are for example twenty times smaller than those of the definitive plane. Then, engineers put the scale model in a wind-tunnel and make it undergo multiple winds to see how the scale model behaves. From the scale model's behaviour, engineers deduct what the definitive plane will make in full flight when you will be sat in it. That is what is called simulation. It is not the real plane that is in the wind-tunnel, it is the scale model. But the scale model's behaviour permits to image and deduct by calculations the definitive plane's behaviour. Then engineers move forth to the next stage and construct a prototype that they make fly for many hours. It is the phase of tests in real flight that permits an ultimate correction of hiatuses and mistakes. The phase of test of the prototype finished, engineers move forth to the final stage; the construction in series of the plane in which you will be sat.

Another natural case completely adapted to understand the spiritual challenge that the return to GOD'S model represents, is the one of the staff generals of secular armies of the natural world. Staff generals of a given army are generally individuals who are masters in strategy and are especially talented in understanding the reality of the war from scale models placed on the table or displayed on a computer's screen. The scale models on which the staff generals of the secular army work are not the battlefield but they are structured in a way as to restore as much information as possible on the battlefield. And on these scale models, the staff generals do simulations and take decisions concerning the war. If you enter into the briefing office of staff generals you will not see the battlefield but scale models of the battlefield and with those scale models, staff generals conducts the war.

It is precisely what we are going to do by building a scale model that is certainly not the perfect model of construction of the Church given by GOD (and that has been explained above), but that sufficiently resembles this perfect model to give us information on how GOD'S model would work and reach GOD'S two-fold objective if it were applied faithfully by Christians. The scale model will be flexible which means that anyone will be able to modify the hypothesis of the scale model and see how the result produced by the scale model evolves, exactly as staff generals simulate on their scale models hypothesis on the move of the war.

A precision for those who will try to take refuge behind the pretext according to which one doesn't need to calculate numbers to reveal GOD'S will. Know that the Bible has an entire Book dedicated to Numbers and know that in the Book of Revelation, GOD declares that if anyone have insight, let him calculate the number of the beast. If GOD qualifies of wise the one who calculates the beast's number, what will HE think about the one who calculates numbers on a scale model to have revelation of the functioning of the Church's perfect construction model? Let's then be an absolutely wise and intelligent people and let's calculate numbers with the scale model in order to restore the revelation of what GOD'S perfect model would do if faithfully applied by born again Christians. The scale model we are going to build requires the most realistic hypothesis so that it can look most as possible like GOD'S perfect model. Our scale model is not the definitive model fixed by GOD but we will make sure that the hypothesis which govern the confection of our scale model will bring it closer to GOD'S perfect model. Then we will make our scale model function as well as engineers put their scale model of plane in a wind-tunnel to see its behaviour in flight. And we will see what our scale model does considering the two-fold objective of GOD that is the multiplication to the extreme of born again Christians and the quality of GOD'S Priesthood.

With the scale model already functional, each person will draw his/ her real conclusions in front of GOD and will say to GOD if he/she returns to the real model of GOD or not.

It is written in the Book of Psalms 87:6

*“The LORD will write in the register of the peoples:
This one was born in Zion”*

So let us do as our Father GOD that is counting and registering the nations in Zion with the help of a scale model in order to understand the functioning of the real GOD's model.

- We are located at the departure in the year 1989 and we admit that in the year 1989, Cameroon counted at least 3,000 born again Christians. It is our first hypothesis for the confection of the scale model. One could have chosen any country of the earth. The number 3,000 is chosen considering the fact that at Pentecost, the Church started with more than 3,000 converts (Acts 2: 41-47). Actually, in 1989, Oholiba had in Yaounde at least four big stony and wooden temples having each about 3,000 members vociferating every sunday non interpreted languages; making a total close to 12,000 supposed « born again Christians » only for the city of Yaounde. If we take into consideration the other towns of Cameroon, we realized that in 1989, Cameroon counted more than 30,000 people pretending to be « born again». To start our scale model we limit ourselves to 3,000 real born again Christians in Cameroon in 1989.

- Our objective is that all the population of Cameroon becomes born again between 1989 and 2004. It is the second hypothesis of our model. This second hypothesis is founded on Matthew 28:19

- At the beginning of 1989, each of the 3,000 born again Christians comes out of the stony and wooden temples; founds a house Church in his domicile in which he is the only member at the beginning. It's the day of small things mentioned in Zechariah 4: 10. This is the third hypothesis of our scale model.

- A born again Christian puts in 3 years to mould up a pagan to maturity, that is in 3 years, the born again Christian obtains by fasting and prayers the conversion of a pagan, then baptises

him, teaches and preaches to him and trains him in Priesthood. Why the hypothesis of 3 years? We inspire ourselves of the fact that 3 years were enough for the Lord JESUS- CHRIST to fulfil his terrestrial Ministry. Of course we know that in practice, there are many spiritually lazy persons who easily consume you five years of training, or even more. But we are in the process of building a scale model is not the GOD'S perfect model but which is closed to GOD'S model and to achieve this closeness we choose hypothesis which are related to the Bible. We make sure that our hypotheses are linked to the Bible because that creates closeness between the scale model and GOD'S perfect model. This fourth hypothesis is summarised as follows:

ACTIVITY	NECESSARY TIME	WHO TAKES CARE THUS OF THE PAGAN?
<ul style="list-style-type: none"> • To pray and to fast until conversion of a pagan • Baptize the pagan • Teach the pagan and train him to the Priesthood 	3 years	1 born again Christian that has founded a house Church in his domicile

• During 3 years, every born again Christian that returned to found a Local Church in his domicile takes care of 5 pagan at a time. It is the fifth hypothesis of our scale model. The number 5 is chosen because it is the number of the grace. One could have chosen 3 or 2 or even 6 which is man's figure. We keep 5 because it is realistic to think that a born again Christian can fast and pray for 5 people. Beyond, it is the overload and the prayer turns into a way of superficial watering of which hypocrite «pastors» from stony and wooden temples detain the patent.

This fifth hypothesis sums up thus:

ACTIVITY	NECESSARY TIME	NUMBER OF PAGANS OF WHICH ONE TAKES CARE AT A TIME	WHO TAKES CARE THUS OF THE 5 PAGANS?
•To pray and to fast until conversion of a pagan	3 years	5	1 born again Christian who has founded a house Church in his domicile

The scale model that we have just prepared sums up as follows:

HYPOTHESIS	OBSERVATION
<u>Hypothesis 1</u> : there are 3,000 mature born again Christians in 1989 in Cameroon	One could have taken any country of the earth. Cameroon counted 11.8 millions of inhabitants in 1989.
<u>Hypothesis 2</u> : The objective is that all Cameroonians be born again Christians in 2004	In 2004 Cameroon counted 15.6 millions of inhabitants.
<u>Hypothesis 3</u> : Each of the 3,000 mature Christians have in the beginning of 1989, founded a Church in his domicile and he is the only member at this beginning.	It is the day of small things mentioned in Zechariah 4: 10.
<u>Hypothesis 4</u> : 1 mature Christian puts in 3 years to fast and pray for a pagan, converts him eventually, baptises him and then trains him in the Priesthood. Once trained, the trainee leaves and founds a new house Church in his own domicile.	One knows that in practice, you pray 10 years for some pagan without the least sign of conversion while hardly have for other prayed you that he repents of his sins. But we take hypothesis to build a scale model that is not of course precisely the GOD'S perfect model but that is close enough to it. We are free to modify numbers in our hypothesis to see how will evolves the result produced by the scale model. We are staff generals and we make simulations on this scale model in order to understand the war and take good decisions.
<u>Hypothesis 5</u> : 1 mature Christian takes care of 5 pagans at a time.	One can bring back the number to 2 or can carry it to 6. It will only be a variant of the model that we build, a simulation of Army staff generals.

Now that our scale model of 3,000 houses Churches founded in 1989 by 3,000 mature Christians is ready, let's make function it of 1989 to 2004 and let's watch the result. This result will give us a picture of what will make GOD'S real model when we will apply it in all the nations of the world.

For the first seven years of 1989 to 1995, the calculations are as follows:

1989

In this year, the 3,000 mature Christians who have just left the stony and wooden temples are busy with breaking up of all sorts of dark spiritual links acquired in the temples of stone and with learning how to the True Priesthood in their domiciles. They are therefore not pre-occupied with pagans in the year 1989. It is a year of separation from the false priesthood of the religious pyramids and of settlement of the True Priesthood in the house Church.

New Christians in training in 1995	90,000. These are those put in training since 1993
New mature Christians in 1995	90,000. The Christians put in training in 1993 attain maturity at the end of 1995
Number of mature Christians at the end of 1995	108,000 (18,000 as from 1993 + 90,000 who attain maturity at the end of 1995).

By following the same calculation, the scale model produces 23,328,000 mature Christians in 2004, which number is far more than the Cameroonian population which was only 15 millions in 2004!

The detail of calculations is as follow:

Year	Mature Christians at the beginning of the year	New Christians in training in the course of the year	New mature Christians at the end of the year	Total mature Christians at the end of the year.
1989	3 000	0	0	3 000
1990	3 000	15 000	0	3 000
1991	3 000	15 000	0	3 000

2004	3 888 000	19 440 000	19 440 000	23 328 000

The scale model shows that, at the end of 2004, the mustard seed has become the biggest tree of the farms. From a small modest beginning of 3,000 mature Christians in 1989 we find ourselves at 23 millions Christians in 2004 and this thanks to modest house Churches containing 6 persons each, that is to say one mature Christian and 5 converted persons in training. That is an image of the formidable and unbeatable efficiency of GOD'S model.

Modest autonomous house Assemblies reduced to 6 people are sufficient to launch the Revival fire all over a nation like Cameroon.

But what have we done?

Pretending to be wiser than GOD, we jailed the Christendom in gigantic stony and wooden temples and shut it in pyramidal government chains. By this mass treatment we believed to quickly make the construction of the Church. Lie from Lucifer!

All as GOD'S real model, our scale model is oriented toward the mission. As soon as a convert is trained, he leaves his training place and found another house Assembly where he dwells. In an opposite way our religious pyramids have only one purpose: to stick the Christian in the stony and wooden temple for thirty years. «One must not separate from one's Assembly», shout priest of darkness in stony and wooden temples.

All as GOD'S model, our scale model is oriented toward LIFE while the stony and wooden temple is oriented toward crowd gathering and administrative organization. The same day when a pagan converts, our scale model says that he immediately enters in the waters of the Baptism and starts his training immediately. The stony and wooden temple says that the convert must follow young convert teachings during two years before being baptised.

Our scale model says that the leader of the house Church concentrates his attention, his prayer hours and his teaching on 5 persons. The model of house Churches given by GOD establishes the same principle of quality. On the other hand, the stony and wooden temple says that the fake «pastor» perched to the desk waters a general and imprecise «prayer» or “teaching” for three thousand people gathered in the temple.

GOD'S model aim the extreme multiplication promised Abraham and it is what does our scale model. On the other hand the stony and wooden temple has completely blocked the evangelization of the world.

Concerning the quality of the Ministry it is easy to respect the True worship, the True Tithes and Offerings, the True Supper, the True Baptism, in brief the True Priesthood in a house Church of 6 persons.

Born again Christians, take this scale model of the Holy Army staff Generals and make your calculations for your own country. You who have been earnestly praying during many years for the Revival in your country; how have you come to believe that the Church that is GOD'S Temple can be built without a precise model?

Take your own hypothesis; make work this scale model for your country during 15 or 20 years and you will see the result. If you think that a mature Christian can easily take care of only 2 pagans and if you think that these 2 pagans will need 4 years to arrive to maturity, introduce these hypothesis in the scale model and make it work. You will see the result and will understand that GOD'S model is anyway infinitely superior to wooden and stony temples organized in gigantic administrative pyramids that haven't succeed to offer one tenth of your country's population to GOD since they have been making noise for fifty or one hundred years.

While making your calculations, also value the number of Angels and lampstands establishing in your country with the progression of the working of the scale model. At the rate of an Angel by house Church, at the rate of an Angel by Christian who has returned to the TRUTH, and at the rate of a lampstand by a house Church, your country will end up being literally drowned under an Army of several millions of Angels and lampstands within 15 or 20 years. And do you know what produces such an invasion of Angels and lampstands in your country? The Revival!

Have you finally understood why obedience to GOD'S model is better than all your sacrifices?

Born again Christians, we are sealed, bound under Alliance with GOD through Abraham. According to this Alliance we are obliged to multiply to the extreme and we are obliged to possess the cities of Lucifer and his priests that is to govern the world. **This is not a matter of theological debate; it is a question of Covenant!**

Let's put an end to the worldwide curse continuously produced by the contempt of GOD'S model and GOD's Covenant with us trough Abraham. Return to autonomous house Churches.

Now that each of us have seen what teaches the scale model, let's go into action as engineers do when they move from scale model to a real prototype. Let each of us establish in his domicile a house Church even if he is the only member at the small beginning. The books «Return to the True worship», «Return to the True Tithes and Offerings», «The Foundation of the Revival»

which are available for free in the web site www.worldwiderevival.org will help each of us to launch in his domicile Communion and Support meetings, Worship meetings, Battles of the LORD meetings and Apostolic meetings.

Now let's test the prototype in our domiciles, then GOD will make his part by bestowing us POWER, Authority and necessary spiritual gifts to move to serial production of house Churches all over the world. The Jordan splits himself at the precise moment where Israel steps in its waters; not before. Let's put our feet in the waters of the Jordan by creating each a house Church in his domicile.

At this juncture comes out the usual lamentation upon the unity of the Body of CHRIST-JESUS. Since the religious pyramids has rebelled against the Bible, GOD has stricken them with a lying spirit for them to run after lye. Bibles in hands, let's tackle this important matter of unity in order to chase lye out of the Church.

It is written in 1 Corinthians 5: 3-5

“ Even though I am not physically present, I am with you in spirit. And I have already passed judgment on the one who did this, just as if I were present.

When you are assembled in the Name of our Lord JESUS and I am with you in spirit, and the POWER of our Lord JESUS is present,

Hand this man over to Satan, so that the sinful nature may be destroyed and his spirit saved on the day of the Lord”

The WORD of GOD is perfectly precise. Is Apostle Paul physically with the Corinthians Brethren and Sisters? The Bible says no. Is Apostle Paul spiritually with the Corinthians Brethren and Sisters? The Bible says yes. Apostle Paul, who is physically absent, is spiritually present among the Corinthians Brethren and Sisters. The spiritual body of Apostle Paul and the spiritual bodies of the Corinthians Christians are together, assembled in one, meanwhile Apostle Paul is not physically with the Corinthian Christians. Which mysterious mechanism has assembled the spiritual bodies of those Believers who are not physically assembled? The Bible says it is the POWER of the Lord JESUS-CHRIST that is the HOLY SPIRIT who dwells in every born again Christian. The spiritual body of Apostle Paul which is present among the Corinthians (while Apostle is physically absent) has even proclaimed a judgment upon a sinner among the Corinthians. The spiritual body of Apostle Paul has passed this judgment upon the sinner among the Corinthians through the prayers done for the Corinthian Assembly by Apostle Paul.

Born again Christians, we are a spiritual nation and in this spiritual nation, our spiritual bodies are united in one by the POWER of the Lord JESUS-CHRIST, that is the HOLY SPIRIT. We do not need to assemble in thousands in stony temples to get united. If we lunch one billion house Assemblies all over the world, the HOLY SPIRIT will unite in one all the spiritual bodies of born again Christians who will be serving GOD in those autonomous house Assemblies. In such a case, each born again Christian will be present in spirit (and not physically) in each of those multiple house Assemblies and if this Christian prays, his prayer will act upon all the house Assemblies all over the world, exactly as if the said Christian was physically present everywhere at the same time. Priests of darkness disguised into Ministers of Light earnestly need fake spiritual communion with born again Christians in Babel towers because it is trough those fake spiritual communions that Satan weakens Christianity in the realm of power and therefore preserves his dominion upon the world.

The three religious pyramids namely Babylon the great, Ohola and Oholiba are now spreading preachings on the topic of love which unites. Of course, they do not mean the love of GOD that is the love of the TRUTH. They instead mean the luciferian love which hates the TRUTH

written in the Bible and aims at chaining the whole earth in the worldwide fake church. Assuredly, Lucifer is deluding himself.

Genesis 17: 4 “ As for ME, this is my Covenant with you: You will be the father of many nations”

Genesis 22:17 “I will surely bless you and make your descendants as numerous as the stars in the sky and as the sand on the seashore. Your descendants will take possession of the cities of their enemies”.

May GOD grant peace and grace to those who open the Bible, believe in what is written in it and firmly decide to put it into practise.

Reverend Apostle Joseph TOUBI.
