

A STICKY SITUATION
Knitting needles are a lot like shoes: There's no such thing as too many pairs. From aluminum to ebony, size 000 to Speedstix, every type has a project just calling its name.

What's new, what's now, what's next in knitting

CRYSTAL VISION

A very special occasion calls for very special fibers.

Swarovski's yarn line features subtly hued cashmere, mohair and cotton interspersed with the delicate faceted crystals for which the company is famous. The fine gauge is perfect for knitting accessories such as shawls and evening bags or for combining with another luxury yarn. Order by the foot or the yard from the Manhattan shop Joyce Trimming. ejoyce.com.

FELT LIKE IT

Embellishment has never been so easy.

Trendsetter Yarns is introducing a line of seven felted flowers (top right). Hand-cut in Italy and layered in multiple colors, they sport a pin back for easy wear.
