Question Tags

Question tags are used in conversation to get a (positive) reaction from the person you are talking to. (That's not really difficult, is it?)

Form

- positive main clause → negative question tag
- negative main clause → positive question tag
- main clause with auxiliary verb → use auxiliary verb in question tag

Examples:

1. You are Tom, aren't you?
2. He isn't Joe, is he?
3. You've got a car, haven't you?
