Moss stitch:

Row 1: \*knit 1, purl 1 \*, repeat from \* to\*, finish with knit 1. Always repeat this row.

Alternation of the colors: I decided to put the colors some following the others by rising of a nuance to every change, you can also change color in every pattern (or make one with only one color, as you like!).

Idem for fringes, I chose to make them of the same color as that of the ball used then, it is up to you to mix colors, think simply of taking fringes before putting you knitting, to be sure to have the necessary quantity in their realization.

## Work:

Begin with fringes: cut 24 times 4 stalks 36 cms long (for the realized scarf, I made 12 times 4 stalks in "crème", and 12 times 4 stalks in "brun").

Cast on 25 stitches by using the thread in double, knit 4 rows of moss stitch (in "crème", then continue with the beige, "chataigne" and the "brun" to finish).

Begin the motive (Always repeat these 24 rows.):

Row 1 and 3 (right side): knit1, purl1, T1, \*knit1, purl1\* repeat from \*to\* and finish with knit 1.

Row 2, 4 and 24 (wrong side): (knit1, purl1) 9 times, knit1, purl5, knit1.
